VOLUME NUMBER 97

School Board Accepts O.J. Thomas Building

Acceptance of the new O. J. Thomas School and arrangements for immediate use by colored students of Cameron was the major item passed by the school board for the Cameron Public Schools in regular meeting Thursday night, October 25.

Board members voted to accept completion of the new school building as of last Monday, October 29, on the condition that all exceptions made by a previous board inspection of the structure had been rectified.

Wiley W. Loughmiller, superintendent, was appointed to accompany the architect and contractors on an inspection Monday and to accept the keys to the building if all listed changes were made. (These changes had been made and official acceptance of the building was made on the appointed date.)

So the new building could be insured, Board Chairman H. B. Pressley appointed a committee to meet with insurance representatives on Monday. The committee named included the superintendent, Dr. David Shapiro, Max Howard and F. W. Vogelsang. They were instructed to secure adequate protection for the school on some insurance plan agreeable to both the school and to those representing local insurance agencies.

Supt. Loughmiller was also authorized to purchase janitorial supplies for the new school. The board also will make a study on the best means of taking bids for the wrecking and removal of the old O. J. Thomas High School. Possible need of additional rooms estimated at being from two to four will be studied further following the school census to be

Lions All Star Minstrel Cast Enjoys Rehearsals

Rehearsals for the Lion's Club All Star Minstrel to be shown at the Yoe High Auditorium on Monday and Tuesday, November 12 and 13 are being held twice weekly with Mrs. Annette Abercrombie director.

Members of the cast seem to get the same hearty laughs in the same places each time a rehearsal is held. Mrs. Abercrombie said, "If they can laugh at the same jokes over and over then the jokes must be good" the director continued.

Tickets are now on sale by members of the Lion's Club. Ticket committee chairman Narvie Caperton Tuesday declared that "It looks like a sell-out both nights."

Crowds Flocking To See New Dodge

There were 1,479 persons, who registered at the debut of the 1957 Dodges and Plymouths in Schiller Motors' showroom Tuesday. Jerry and Milton Schiller, operators of the firm, said there were still more than that number visiting their showrooms but failing to register.

Recipients of the door awards given were Mrs. L. J. Matula, 50 gallons Humble Golden Esso Extra gasoline; T. F. Cloud, Sr., 25 gallons Humble Esso Extra gasoline; Miss Kay Camp, polish and wax job; Johnny Gilmer, 10 lubrication jobs; and Mrs. Frank Richter, Sr., complete winterized radiator with premium anti-freeze.

Both Milton and Jerry said the new Dodges and Plymouths were received with greater enthusiasm on the part of the public than either had ever before seen shown for any new motor vehicle. A number of sales of these '57 models were made and several persons with '57 models of other makes even expressed intentions

taken early after the first of the year.

The board acted upon an additional number of items including employment of Dick Halberdier to drive the school bus previously driven by Bill Fisher, purchase of senior band jackets on low bids, purchase new basketball goal backboards, standardize salaries of white cooks at the school at \$30 weekly and rejected the application by Mrs. Johnny Graham to enter high school secretarial courses.

An unanimous vote of all board members were cast for approval of a motion setting the regular meeting time of the body for once monthly and on the second Thursday of the month. Special meetings can be called by the board chairman at any time.

All members of the board were

present at the meeting as were Superintendent Loughmiller and School principals Dick Young and Leon Brady.

District P-TA Officer Speaks

Mrs. J. M. Daniels, district P-TA president from Bryan, will be in Cameron to install officers of the local association at 7:30 p.m. tonight, November 1. The meeting will be held in the Yoe High School auditorium.

The district president will also speak on the activities of Parents-Teachers Associations in other communities. Immediately following the meeting, there will be a social in the library adjoining the auditorium.

Cameron School Superintendent Says Amendment No. 4 Support Grows

"Support is growing for Constitutional Amendment No. 4, the Teacher Retirement Amendment on the November 6 General Election ballot, as the public is seeing the facts," Wiley W. Loughmiller, Superintendent of Cameron Public Schools said today.

"This effort of Texas teachers to attract and hold good teachers is one of the most unselfish, public-spirited movements ever seen in the interest of good education for Texas children," he declared. Local school teachers, working with their local and state associations and in cooperation with local Parent-Teacher Associations, have spearheaded the drive for adoption of the amendment.

Amendment No. 4 will improve the Teacher Retirement System created in 1937, a depression year. The system covers all employees of public schools and state supported institutions of higher learning.

Increased benefits, Loughmiller feels, will encourage teachers now leaving the classrooms to remain in the teaching profession. Approximately 7,000 experienced teachers are lost each year to the schools. The program would also help attract some of the 3,800

new teachers needed each year to instruct the 100,000 new children who jam Texas classrooms annually.

The new program, as passed by the Texas Legislature last year—unanimously in the Senate and with only two dissenting votes in the House—would pay like this:

A teacher would pay into the retirement fund each year six percent of his salary (present rate five percent), and would earn a retirement based upon these deposits.

In addition, the amendment adds some benefits which are common in the retirement plans of private industry but have not been included in the teacher retirement system heretofore.

These are: (a) benefits for teachers who become unable to work because of disability; (b) death and survivor benefits for the family of a teacher who dies

Cameron Will Forfeit Game If Killeen Integrates Team

Policy of the Cameron School Board is that should a negro be played at any time during the Friday night game that the game will be forfeited to that school and play will discontinue at the time.

Superintendent of Schools Wiley Loughmiller stated Wednesday "I feel sure that since the Killeen school is integrated that the bleachers will also be integrated and anyone who buys a ticket to that game will be confronted with making his own decision as to who he sits next to." "He buys a ticket at his own risk," Loughmiller continued.

H. B. Pressley, president of the school board, said "Seating at the ball game is up to the patron."

Don Hurlburt, board member, said "I don't believe the matter is one for the Cameron School Board."

Earl Curtis, board member, said "I concur in the statement of the Superintendent."

Dr. David Shapiro said "If the game is called or the patron is dissatisfied with the seating it is between him and Killeen officials if he wants his money refunded. Cameron has no control in the matter of refunding money."

Max Howard, board member, said "The policy of the board has been printed and a warning to the patrons seems sufficient."

Other board members could not be contacted for comment.

What Is Greatest Need For City

In an effort to determine the greatest need facing Cameron, local residents are requested to express their opinions in letters to The Herald. The person, sending the best letter with explanation of why the city needs a particular facility, will be awarded five dollars.

Editors of The Herald are exceedingly fine facilities. At the same time we believe that perfection in any town is something for which we must always strive. Should we ever reach a certain goal previously set as being "perfection," then at that time perfection within itself sets another goal toward which we must work.

As newcomers to Cameron, we are not in position to say what is needed in the city. As

See CITY NEED on page 8

Youths Ignore Dangers To See

Telephone calls at 8 p.m. Tuesday revealed to Cameron city police that two boys were at that hour on the city's new water tower. Night Chief William Brandenburg answered the call and apprehended two 15-year old youths sight-seeing from the structure.

The boys were on the cat-walk, 100 feet above the ground. They said they were able to see all over the city and could see lights far out into the country. One was from Buckholts and the other from Cameron.

The youths Wednesday morning were quizzed by Chief Willie Dolan about their reasons for being on the tower and receiving a lecture on the dangers of their escape.

Monday Meeting Selects Temple Lawyer To Lay Validating Plans

Elm Creek's 192,000 acres of watershed is now represented by an eighteen man committee under the name "Elm Creek Watershed Flood Protection and Improvement District."

Following the Moody meeting, sixth in a series, last Thursday night the organizational group had "Reached the mouth of the creek" and the committee was perfected with Buster Griffin of Yarrington as its chairman.

Meeting at the offices of the Temple Chamber of Commerce Monday night at 7:30 p.m., 13 of the 18-man committee selected Jim Bowmer, Temple attorney, to represent the watershed in the presentation of validating legislation before the next session of the legislature.

Chairman Griffin appointed J. W. Holmes of Rogers, Frank Maruna of Temple and David Haggard of Oenaville as a sub-committee to meet with W. T. Moon, Assistant State Conservationist in charge of the unstream flood prevention program in Texas to determine the most feasible action to take in obtaining metes

and bounds of the district which comprises roughly 193,000 acres. The district, lying mainly in Milam and Bell counties, comprises small segments of McLennan and Falls counties.

The project calls for a series of flood retarding structures to be constructed on Elm Creek and tributaries to prevent flooding of lowlands. Approximately 19,000 acres of land is now not under cultivation because of the risk of flooding by the creek's waters said Carl Young, Soil Conservationist, of Temple.

It is estimated that costs to the two major counties of Milam and See ELM CREEK on page 8

Utility Pole Takes Beating

For the second successive Saturday, an automobile accident occurred at the intersection of the Highway and Scott Street near Hudson's Truck Service. The two resulted from identical causes with the damaged vehicle in each case receiving said damages upon collision with the same identical utility pole.

Second of these accidents took place Saturday afternoon, October 27. Driver of the '56 model vehicle damaged in the accident was Milton L. Herskowitz, 22-year old sports writer with the Houston Post who was enroute to Waco to cover the Baylor-A&M football game, he told officers.

Another vehicle starting across the street noted the approaching car and halted before reaching midway of the street. Herskowitz according to the investigating city officer put on his brakes, which locked throwing his vehicle into a skid. His car skidded into the utility pole causing about \$175 damage.

Investigating officer was William Brandenburg.

Kiwanis Members Hear Grid Talk

Explanation of rules under which school boy and college football is conducted was the highlight of the Kiwanis Club meeting held at the Magnolia House on Thursday, October 25. This report on the rules of this strenuous sport and why they are in use was explained by Bob Nelson, an official calling games regularly in this area.

A number of guests from Cameron and College Station were present at the meeting.

Bill Black, president of the local chapter, presided at the meeting.

Items Taken From Elley Home Here Found Recently In Temple Residence

With faith revived in police following two burglaries in 1955, the Louis Elleys, whose home is on the Temple Highway just out of Cameron and which was burglarized on February 22, 1955 and again on August 27, are happy again with regaining most of their possessions.

"It cost \$750 to replace the items that were stolen" Elley said, declaring that he had not arrived at an estimate of the actual used value of the misappropriated items shown in the accompanying picture.

When Travis H. Latham was arrested in Temple last week in connection with alleged theft of guns belonging to William DeBeneditto of that city, merchandise totaling several thousands of dollars in value were uncovered in the Latham home. These articles were discovered to have been taken over a several year period from Central Texas homes.

Items not returned to the Elleys included about twenty sheets and thirty pairs of pillow cases. Mrs. Elley lamented. One cheap camera is still among the missing and a water pump has been located at an Austin swimming pool and will be returned soon, the Elleys said.

Mr. and Mrs. Elley both work at the Hornung Brothers Hatchery in Cameron. Their new masonry home is on the outskirts of town. During the two daylight burglaries no one was at home but "Toby", their faithful little Cocker Spaniel and he was locked in a bedroom. The home is se-

cluded enough that neighbors could not hear the dog's frenzied barking.

The "caller" Elley maintains, made a third call on his residence one day when a colored woman was at the home. She described the man who came, saying that he did not know Elley's name and would not reveal his own. Elley said that her description fitted that of the man found to have his belongings in Temple.

Other items in the Latham collection included cameras, a sewing machine, additional guns, fishing tackle, clocks, radios, tools, fans, silverware, and a large number of small items.

Sheriff Carl Black filed charges in connection with the burglary. Three other charges have been filed in Bell County and more are expected in other parts of central Texas.

Cameron Democrats Will Attend Dinner

Several Democrats in Cameron and other Milam County towns will attend a Democratic Fund Raising Dinner at 7 p.m. tonight, November 1, at the Shrine Temple in Waco.

Guest speaker for the dinner will be U. S. Senator Clinton Anderson of New Mexico. Plates for the dinner are on sale at \$10 with all proceeds going into the Democratic Party's campaign fund.

Gray Fox Slain Sunday In Hunt

Cameron Explorer Scouts of Post No. 55 went rabbit hunting last Sunday on Buck Slavik's farm. Game taken on the hunt was nine rabbits, one owl and one gray fox.

Killed with an accurate shot into the head from a 12-gauge shotgun, the fox was bagged by Charles Matula. Charles was able to get his shot when the wary animal was roused from his den by Martin Mitchan, a companion of the marksman. Fearing Brer Fox may have had rabies, the youths sent its head to Austin for a test and learned Tuesday the test had been negative.

Learning that one of the 14 Scouts on the hunt had bagged a fox, a number of farmers in the area where the kill was made have since contacted Charles and expressed their appreciation. They said they have little doubt but what this animal is the cause of a great loss of quail and other game birds in the area. One farmer also expressed his opinion that the fox is probably the culprit previously killing a number of his chickens.

Father Alfred Kallus is one of the active leaders of these Explorer Scouts in Post No. 55.

Five Milam County Men Face November Induction

November induction call has been received and orders sent to five men for November 28. Orders were mailed on October 22 to Wayne B. Bryant, Thomas D. Scott, J. T. Westbrook, Leland T. Springer and Leo Vrazel.

Only men, who may qualify for a I-D classification now, are those members of the National Guard who joined before reaching age 18½ and Reservists who qualify as being in a civilian occupation requiring a critical skill and employed in a defense-supporting industry or in a research activity affecting National Defense. A Presidential Proclamation must be issued before men in the organized reserves, joining before 18½ years of age, can qualify for I-D. Such a proclamation has not yet been issued.

It has been noted that a good many registrants are dropping R OTC. Upon receipt of such information from the Commanding Officer of the ROTC Unit, such re-

gistrants do not qualify for continued I-D Classification. However, when such registrants resume participation in the ROTC and DD Form 44 is received to this effect from the ROTC Commanding Officer, these registrants will be considered for another I-D Classification. This procedure is unlike that for men in the National Guard, since National Guard members cannot qualify for another I-D Classification when they have had a break in service after age 18½.

Deadline for students to make application for the November 15 college qualification test was October 30. No more applications can be taken for the November 15 test. Registrants may make application, however, for the April 18 test and have until March 5, 1957 to do so. We have the necessary material and bulletins of information and registrants who are interested may come by the office for theirs.

Requests to III-A registrants for current information commenced on Monday. Registrants should carefully read the attached instructions and furnish the board with all of the requested information. If any registrant desires to add other evidence or explanation he is invited to do so and if it will affect his classification it will be given to the board for consideration. If not, it will be placed in his file for future reference.

T. S. C. W. Alumnae Meeting Honors Yoe High Co-eds

Texas State College For Women alumnae met at the home of Mrs. Niley Smith, Sr., on October 23 at 7:30 p.m. with Yoe High girls as honorees.

"Your face, your health, your looks," a nutrition film featuring T.S.C.W. students and scenes of the women's college campus was shown.

Miss Kate Adele Hill, president of the T.S.C.W. Alumnae Association, Mrs. Madge Wallace, a member of the nominating committee of the association and Miss Gertrude Gibson, special counselor for the college, gave talks.

The executive board reported the appointment of Mrs. Richard Wilkinson as secretary and Mrs. Frank Perrin as vice-president of the Milam County Chapter to fill offices which were vacated during the summer.

Mrs. O. G. Tumlinson was co-hostess with Mrs. Smith and they served frosted cake squares, salad and punch. Mrs. Richard Wilkinson poured and Mrs. James Kahler served.

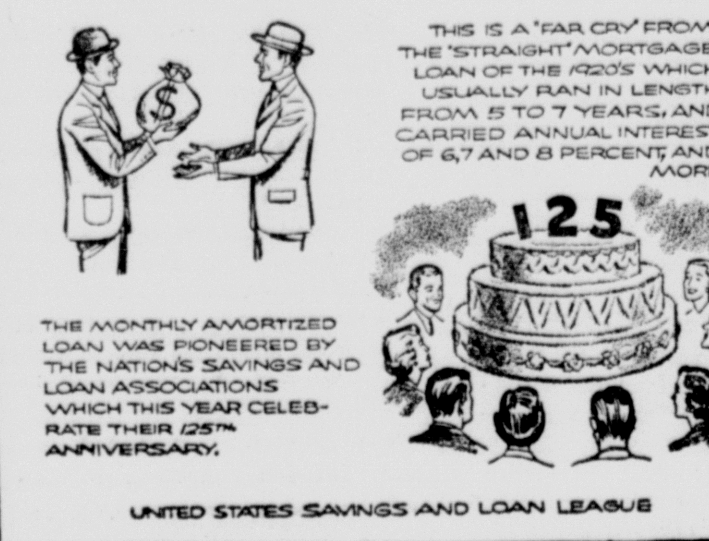

Yoe High girls included Carole Heitman, Myrna Jackson, Wanda Kirk, Peggy Burke, Carol Ann Sanders and Rita Reid.

From Rockdale was Mrs. J. A. Beesley, Mrs. Walter E. Fischer and Mrs. A. T. Weydell.

Preceding the meeting, Mrs. James Kahler entertained special guests at a dinner at the Magnolia House. The guest list included Miss Hill and Mrs. Wallace, both of College Station, Miss Gibson of Denton and Mr. and Mrs. Herman Yezak of Bremond.

Next meeting of the Milam County Chapter will be on December 11 at the home of Mrs. Walter E. Fischer in Rockdale.

News From Milano MRS. DAN ROBINSON

Invited for a Halloween Musical, the Down Beats came and put on a show Saturday night that was enjoyed by the large crowd present. Another event of the evening was a cake walk. The teachers served pies, cakes, sandwiches, hot dogs, coffee and soft drinks during the evening.

Mr. and Mrs. Jack Blackmon and three daughters spent the weekend here with his grandmother, Mrs. Ollie Blackmon and daughter, Ruby.

Mrs. Mattie Malone left Saturday for a visit with her sister at Gause. Mrs. Butler, who had been sick and has just returned home from the hospital, is improving.

George Cook of Orange was a visitor in the home of Mr. and Mrs. Ray Corbin last Saturday.

Mr. and Mrs. Frank Mangus of Sweeny were visitors here last week to visit her sister, Mrs. W. F. Hooker, who is at her home here recuperating from a broken leg sustained at a fall in her home here.

Mr. and Mrs. Ed Furgeson observed their 50th wedding anniversary by holding open house here all day Sunday. Their friends and relatives called at all hours of the day.

Mr. and Mrs. Asa McGregor went to Bryan Thursday to visit her brother, Mr. and Mrs. Lock McNeely.

Charles Russell of Brazoria spent the weekend here with his parents.

Mrs. Maggie Roskey of Christman was a guest in the home of Mrs. Dan Robinson Thursday.

Mr. and Mrs. Willard Pierce and children were business visitors in Austin Saturday.

Mrs. Floyd Jackson of Rockdale was visiting in Milano last week.

CAMERON, TEXAS' HERALD, NOVEMBER 1, 1956

News From Burlington

Mrs. Albert Chollett and Mr. and Mrs. Henry Eixmon visited Mr. and Mrs. Willie Choppett at Columbus, Texas, recently.

The two sons of Mr. and Mrs. LeRoy Chollett are recovering from illness.

The Woman's Missionary Union is sending clothing and blankets overseas this week.

Some of the W.M.U. members attended a W.M.U. Conference in Cameron, October 3 at 10 a.m. The conference was very interesting.

Miss Mary Catherine Driscoll, daughter of Mr. and Mrs. Dan Driscoll, is employed at John Sealy hospital in Galveston.

Tray Mode has returned home from Casper, Wyoming, where he spent a few weeks.

Mr. and Mrs. Helpert, Sr., had the following of their children home Sunday: Mr. and Mrs. Johnnie Koscher and Miss Mary Jo Helpert of Waco and Miss Margie Helpert of Denton College. They were accompanied to Burlington by a friend, Miss Rita Hranitzky of Yoakum.

The Burlington W.M.U. of the Baptist Church had installation of officers at the church Thursday afternoon. Mrs. Herman Schulz and Mrs. Bill Matyastic had charge of service. The following were installed: President, Mrs. Henry Davenport Sr., Young people's leader, Mrs. Hugh Davenport Vice President and Community Missions chairman, Mrs. George Logan, Secretary, Mrs. Treasurer, Mrs. Gerald Foshea, Stewardship, Mrs. Herman Schulz Mission Study, Mrs. F. J. Rogers.

Mr. L. B. Dukes and Miss Gertrude Jones were visiting recently in Minerva in the home of Mr. and Mrs. Tom Evard and found Mr. Evard improving nicely.

Mr. and Mrs. Killingsworth of Hearne and Mr. and Mrs. Heinke of Taylor were Sunday visitors in the home of Mr. and Mrs. R. V. Corbin and Mr. and Mrs. Fred James.

Mrs. R. E. Ledbetter of Austin was a guest Thursday of Mrs. Dan Robinson.

Mr. and Mrs. Clyde Hensley of Cameron spent Sunday here with his sister, Mrs. W. F. Hooker and family.

We are glad to report Mrs. Leslie Boggan home from the hospital and doing nicely.

Libel is written abuse.

Quarterbackers, Football Squads Will Dine Monday

Members of the Cameron Quarterback Club and players on the A and B football squads will feast at 6 p.m. Monday, November 5, on barbecue. The dinner will be served at the Ada Henderson School cafeteria.

Following the dinner, a film of the Cameron-Killeen football game set for tomorrow night will be shown. Coaches Leo Jackson, Jim Speer and Murphy Webster will give talks explaining the game and also relating the condition of players for the University High game on November 15.

Announcement of the barbecue dinner was made by Bob Nelson, club president, at the regular weekly meeting last Monday night in FFA Building at Yoe High School. Other business of the meeting was a discussion of "what failed to happen and the whys for it" in the Cameron-Stephenville game.

FFA Contests Set November 20

District FFA Leadership Contests for 1956 will be held at Cameron on Tuesday, November 20. There will be a total of 22 schools from this district taking part in the various contests.

Contests in which the FFA members will participate include Junior and Senior Chapter Conducting, Junior and Senior Farm Skill, FFA Quiz and Radio Broadcasting.

Yoe High Clears \$398 On Home Game

Gross receipts for the Cameron-Stephenville football game here on October 26 was \$1184.20. Net gain after expenses was \$797.40 which was split equally between the two schools with \$398.70 going to each.

Expenses for the game was \$104.80 for officials and \$282 traveling expenses to the Stephenville Yellow Jackets according to the contract with that school.

The Suez Canal is 108 feet wide and 31 feet deep.

EISENHOWER

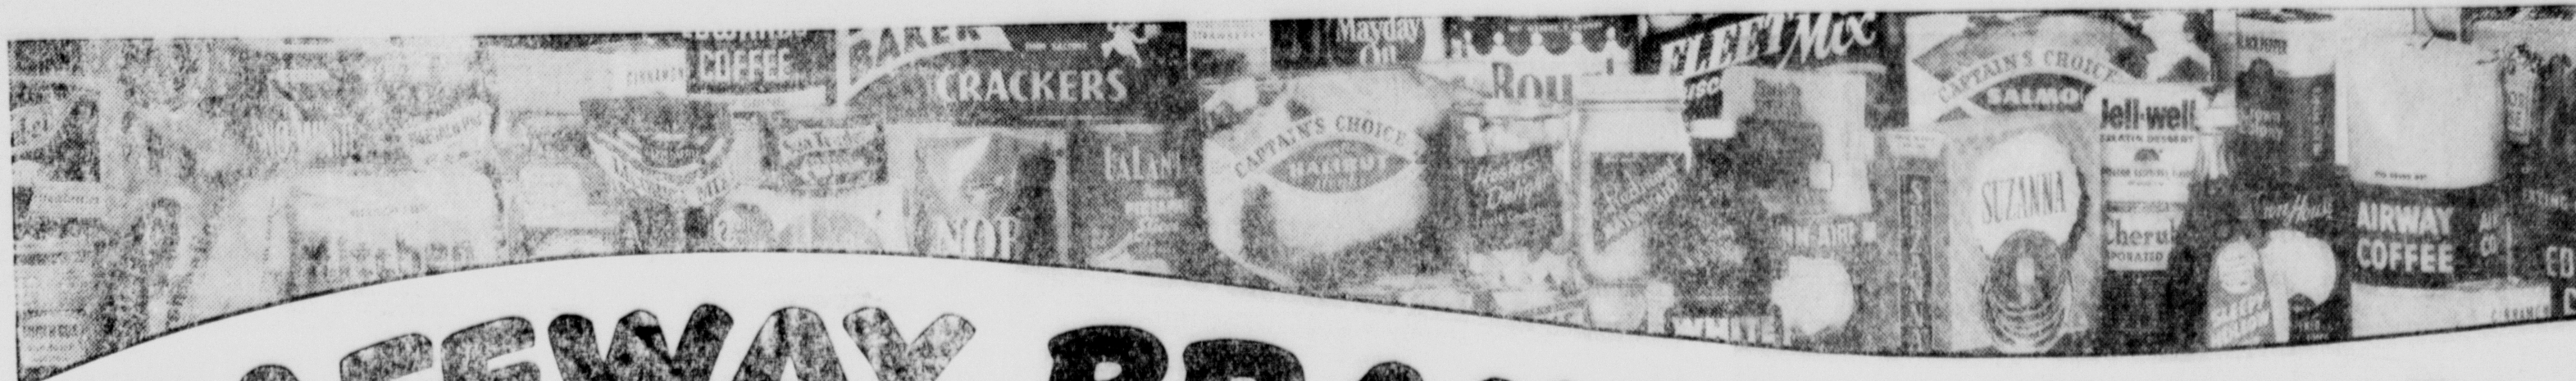

IS A BETTER DEMOCRAT THAN STEVENSON!

TEXAS DEMOCRATS FOR EISENHOWER

W. L. BOB SMITH, CHAIRMAN

You are a free Texan... You can vote any way you like. Regardless of what you may have heard, it is perfectly legal to split your ticket if you want to, just as it is legal to vote the Democratic ticket straight, or the Republican ticket straight. The purpose of the ballot is to determine what the people want. And if you want to vote for Eisenhower and Nixon — then cast the rest of your ballot for the Democratic nominees — that is your privilege. Don't let anyone tell you otherwise! BY LAW YOUR VOTE MUST BE COUNTED.

(Pol. Adv.—Paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

Rinn Muffs One

Warren Rinn failed to get his fingers on this toss from Yoe Quarterback Bobby Elliott as his teammates Ray Green and Guy Dillon look on from the wide open spaces. Elliott's passing attack against the Stephenville Yellow Jackets was his top aerial performance of the season, completing seven out of 11 attempts.

Flo's

Personals

Mr. and Mrs. J. T. Howard of Texas City were in Milam County last week visiting their sisters, Mrs. Wade Fatheree of Burlington and Mrs. Ed Westbrook of Cameron.

Mr. and Mrs. Lincoln Mondrik returned recently, after spending several days in Oakland, California, where they attended the wedding of their son, Linky, Jr., to Rosalie King. Others making the trip were Mr. and Mrs. John Hrozek, Mr. and Mrs. Steve Hrozek and Jeanne, Miss Elizabeth Hrozek and Jimmy Thompson.

Mr. and Mrs. Charles Bonnin of San Diego, California, arrived Tuesday, in Cameron. They will remain here several days as the guests of Mr. and Mrs. W. W. Love.

CAMERON, TEXAS
"Your Financial Friend"

Mr. and Mrs. Monroe Marek and daughters, Janet and Rebecca, of Cameron. Mr. and Mrs. Lawrence Janicek and Mrs. Lorez of Clarkson, spent Sunday, visiting in the home of Mr. and Mrs. Joe Zabrel in Temple.

Mrs. Ervin Sims and Mrs. Joe Luce visited in Brenham Sunday.

Mr. and Mrs. Thurman Dodson are the proud grandparents of a baby boy, born recently, to their daughter and her husband, Mr. and Mrs. W. J. Stephenson of Hitchcock. Miss Stephenson will be remembered as Eula Faye Dodson.

Recent guests in the home of Mr. and Mrs. H. M. Tate were Mrs. Tate's sister and her husband, Mr. and Mrs. J. E. Veach of Springfield, Illinois. Mr. Tate is able to be out after a severe heart attack.

Mr. and Mrs. L. J. Raska made a trip to Austin, Friday, where they visited their daughter, Betty Lou, and her roommates, Patricia Moraw, Annetta Shelander and Carol Matula. The four girls accompanied the Raska's back to Cameron, where they spent the weekend visiting.

Mrs. Herman Sain of Hutto and her daughter, Mrs. O. R. Roberts and daughters, Judy and Martha, of San Antonio, were business visitors in Cameron, Thursday.

Yoe Greet Visitors

Miss Rita Moraw presents a delegation from the Stephenville Yellow Jacket Band with a Yoe High charm supposed to give the visiting school "luck". The token was the initial "Y" decorated with a floral design. It carried the necessary "luck" as the Yellow Jackets carried a 34-7 victory away with them.

Mr. and Mrs. Adolph Supak of Dime Box were Sunday visitors in the home of Mr. and Mrs. W. G. Heitman.

Henderson Thompson has returned from a weekend visit with his sister and family, Mr. and Mrs. John Blasienz of Bryan.

Mr. and Mrs. A. J. Rohan, Sr., and Mr. and Mrs. A. J. Rohan, Jr., and daughters, Janis and

Nancy of Yoakum, stopped in Cameron Friday morning to visit with relatives. They were enroute to Dallas where they attended the candle-light wedding of Miss Charlotte Davis to Winston Rhea. On their return trip, Mrs. Rohan Jr., and little daughters, remained to spend the weekend in the home of her mother, Mr. and Mrs. B. M. McCord. On Sunday, her sister and brother-in-law, Mr. and Mrs. Norbert Mikulec and Mrs. McCord accompanied them back to Yoakum where they spent the day visiting.

The Lester Turner's, Senior and Junior of Cameron visited Mr. Turner's mother, Mrs. Bertha Turner in Austin last Sunday afternoon.

year under existing tax laws to pay several times the state's \$4,500,000 share of the retirement program. Thus, the cases of the present school situation will help pay for its solution.

"It is true, of course," the superintendent stated frankly, "that if the program were not adopted the Legislature would have an additional \$4,500,000 to spend for some other purpose. But it would be most difficult to find any State service that would be of more value than supplying teachers for Texas children."

Shall We Stop The Draft and Testing The "H" Bomb?

After three years of WWI, the U.S. finally got into it in 1917. Were we prepared? The answer is "NO". Just before our regiment went overseas our "Springfield" rifles were taken from us and we were given the English gun "The Enfield" a clumsy awkward rifle despised by every American soldier but it was all we had. What about our Artillery? We had to borrow guns from the French. The French "75", and it was O. K.

How about WWII? Were we equipped any better? The answer is "NO". We had the U. S. Model 1903 Rifle or "Springfield" after almost 40 years. Don't misunderstand, it was a great rifle, but out-dated for fire power. Our tanks were obsolete, our guns were out-dated. Our tanks were armed with the old French "75". The Germans had the Mark IV and the great high velocity "88".

Finally late in 1943 and '44 we got the Pershing Tank and the 90 millimetre gun and the Garand rifle or M1. Why weren't we prepared? Because we, the people, allowed ourselves to be lulled to sleep by pacifists. No one wants war, especially someone who has seen and been in three of them. Neither do I want to see our boys destroyed by a ruthless enemy as the Russians would be. Now we are supposed to believe in these Russian maniacs and stop testing the "H" bomb and once more be caught you know how. Maybe this time and I repeat "Maybe this time" we won't have any England or France to hold the enemy off for two or three years until we can arm ourselves. Is this what you want? The answer is "NO", of course not.

Lets put a man back in office that has proven himself, time and time again. Peace and Prosperity and if war should come — The U. S. Military has a motto at West Point that goes something like this, "Duty, Honor and Country". This motto exemplifies the kind of life "IKE" has lived and believed.

Please vote for Ike.

Act now! This offer good for a limited time only!

Look for this special bag of Robin Hood at your grocer's now. If you do not see it, ask your grocer for it.

Robin Hood Flour

Cover Crops, Deep Chisel Plowing Suggested For Milam

Cover cropping is a practice that has proved itself in this territory. The ASC is co-sharing this practice again this year and is sharing most of the cost. Legumes must be left on the land until March 1.

This means that they will have to be followed by cotton, peanuts or some late planted crop. Gilbert Melde is taking out some of his land and building it up by planting it in 11-bam clover and leaving it on the land for one full year without following it with a crop. This is a good method of building up land and has been practiced by Herman Moerbe, Freddie Simank, Weldon Gilchrist, Emory Holder, Eddie Moerbe and several more in the Thornedale area.

A cover crop should follow peanuts to keep the sand from blowing. Last year Fritz Doss hit on an idea that works well. He uses a 12 foot easy flow fertilizer distributor to put out oats and legume seed on his peanuts before they are dug. Plowing up the peanuts, windrowing and then spreading the hay after combining covers the oats and they are ready to protect the land as soon as it rains.

The conservation practice of leaving as much residue on top of the land or possible should be practiced more than ever this year. A two inch rain fell on two farms about six weeks ago. One had been out with a tandem disk while the other had been chiseled down the row to a depth of about 10 inches. (Most any two row tractor can pull two chisels to this depth.) Water ran on the shallow disked land while on the chiseled land it all went into the ground and could have absorbed twice that much and not run any water out of the field.

Final Rites Held For George Yager

George Yager, 53, died Thursday morning, October 25, at his home in Maysfield. He was born in Austin County on October 9, 1906.

Funeral services were held at 1:30 p.m. Saturday, October 26, in the Marek-Burns Funeral Home Chapel. Rev. Aubrey Russell, pastor of the First Baptist Church, officiated. Interment followed the services in Walnut Creek Cemetery near Austin.

Mr. Yager is survived by his father, H. L. Yager of Maysfield. Pallbearers were Leroy Massen, Tyron Freeman, Tommy Gleason, Donald Thweatt, John A. Smith and Charlie Bailey.

CARD OF THANKS

I wish to thank the churches and all the individuals for offering their prayers and for their other kindnesses for me while I was in the hospital. I also wish to thank all the private groups and the ministers, who prayed for me and to thank the nurses, who were so kind. I wish to express my sincerest gratitude to Dr. Smith and his associates, who served me while in the hospital. Tim Crawford.

Edward Everett, famous orator, delivered an address two hours long at the Gettysburg dedication. Benjamin Franklin was the first Postmaster of the United States.

Generals Lee and Grant fought on the same side in the Mexican war.

Millard Fillmore was president when the first bathtub was installed in the White House in 1831.

Sir Francis Drake was the first Englishman to sail around the world.

Thomas Jefferson invented the sliding doors used on our street cars, over 125 years ago.

Fly's wings vibrate 330 times a second.

Graveside Services For Michalka Infant

Graveside services were held for George Eric Michalka, infant son of Mr. and Mrs. George Michalka at 1:30 p.m. Sunday, October 28, 1956. Father Alfred Kallus officiated. Burial was in St. Monica's Cemetery. Marek-Burns Funeral Directors were in charge of arrangements.

Coats That Were Born In A Bedroom

FAVORITE WITH MOTHER and daughter are these chic coats of St. Marys famous blanket cloth illustrated here. The girl's coat, made by Brand and Puritz of Kansas City, Missouri, has a silky soft St. Marys fleece to exploit the casual beauty of its styling, and to permit details of grown-up importance. Of equal interest is the manner in which Sportwhirl of New York City has utilized St. Marys ombre striped fleece to create the exciting casual coat pictured here. Its easy grace and cozy warmth is sure to make it just as popular with campus pencil pushers as it will be with the carriage pusher set. Both of these appealing fashions are available in a variety of winter-wise shades.

BEN ARNOLD

By Mrs. A. T. Swanzy

O. H. Rice was a surgery patient in St. Edward's Hospital last week.

Mr. and Mrs. W. H. Fatheree Jr., and family and Mr. and Mrs. Don Rice and sons were visitors in the home of Mr. and Mrs. O. H. Rice and family last weekend and little Timmy Rice attended Sunday School at the Baptist Church here on Sunday.

Many friends attended the funeral of Mrs. E. Kosel last Friday at the E & R Church.

Mr. and Mrs. Sonny Dornier, Billie Swanzy and Tom Collins attended the rodeo at Huntsville last Sunday.

The Youth Fellowship of the E & R Church went roller skating at Rockdale one night last week.

Rev. Petrich, former pastor of E & R Church visited in Ben Arnold last week.

Mr. and Mrs. Bill Sweet and Billy visited the W. M. Sweets of Ben Arnold and the Charlie She-lenders of Cameron last weekend and all attended a football game at Pflugerville between Nordheim and Pflugerville on Saturday night.

Mr. and Mrs. Robert Lee Schuetze and Mrs. M. D. Swanzy, Wayland and Ronnie Dornier were visitors in the Sonny Swanzy family last Sunday.

Bruce Long of Baylor filled the Baptist pulpit here last Sunday in the absence of the pastor. Jesse Smith accompanied him here and Sunday night Marilyn Meadows, Carol Brent, Carolyn Staples and Ann Chastian, all Baylor students, visited the Baptist Church.

Nancy and Frances Dornier spent Sunday with Mr. and Mrs. Herman Dornier of Burlington.

Billie Swanzy attended the Baylor-A & M game Saturday night at Waco.

Mr. and Mrs. Robert Murff visited his parents here last week. Robert has just returned from Milwaukee where he played baseball with the Milwaukee Braves.

Mrs. Herman Jeurgens reports that her brother, Albert Pagel, is very sick in the hospital.

Mr. and Mrs. Albert Swanzy and James of Belton were visitors here last Sunday.

Mrs. Buffington and Mrs. Scar-

Imp Set Gets Set For Winter

HERE ARE TWO examples of exciting styling inspired by St. Marys wool blanket fabrics. The manly looking side-vented Lambuddy sport-coat and matching cap features a dashing St. Marys pure wool plaid. It's as comfortable to wear as it is good to look at... a fact that lads of all ages appreciate. Another prime illustration of St. Marys luscious woolens is this charming girl's coat set by Rainbow Coats. There's excitement for girls in every fleecy fashion detail. Extensive size ranges from toddlers to teens in both styles.

News From Yarrellton

MRS. LENA RUSSELL

Mrs. Jennie Barrett is visiting relatives in San Angelo this week.

Mrs. Leona Griswold visited in the Charlie Leonard home Wednesday p.m.

Mrs. Alton Bryant's sister of Temple visited her over the weekend.

Mr. and Mrs. Kenneth Leonard of Galveston visited their uncle and aunt, Mr. and Mrs. Charles Leonard.

Mrs. Jim Chatman of Cameron, borough attended the Rose Festival at Tyler week before last.

Mrs. Leona Griswold's mother, just enjoying her 89th birthday, visited Yarrellton Church Sunday morning.

Mrs. Velma Dobbs, Mrs. Olga Bryant and Mrs. Charles Leonard visited Mrs. Joe Ford Friday p.m.

Rotarians Meet

Regular weekly meeting of the Cameron Rotary Club was held Wednesday, October 24, at the Milam Restaurant.

Guest speaker for the luncheon meeting was Don Scarbrough of Georgetown.

CAMERON, TEXAS' HERALD, NOVEMBER 1, 1956

Webelos Badges Given Two Cub Pack Members

Webelos Badges, top honors for Cub Scouts, were presented to Robert Lee Eickenhorst and Mer-vyn Johnson at a meeting of their Cub Pack in Simon-George Hall last Monday night. Presentation of the badges was made by Cubmaster E. O. Schiller, Jr.

These badges are the only awards won by Cub Scouts which may be worn on their uniforms after advancing to membership in the Boy Scouts of America.

Eickenhorst also received a three-year pen along with Larry Schiller and Mrs. E. O. Schiller, Jr. In the same ceremony, Danny Buttrey was presented with a one-year pen and Carroll Placky with a two-year pen.

James Frank Hughes received the Bear Badge and a two year pen and Bobcat Pens were awarded to Curtis Harris, Jonathon Hughes and George Pool. Silver Arrow Point (Wolf) was presented Richard Moseley and Silver

Arrow Points (Bear) went to Ken-ny Blake and Judsen Smith. A Gold Arrow Point (Bear) was given to George Bowman.

Attending the Pack meeting along with the Cubs and their parents were the committeemen of the Lions Club which sponsors the Pack. These committeemen are Herbert Nance, Dr. George Bowman and Conn Sutter.

Thorndale Youth Gets Probated Sentence Here

Eddie Andrew Jensen, Jr., 18, of Thorndale was assessed a five year probated sentence on a guilty plea before Judge O. D. Graham in 20th District Court Thursday, October 25.

Jensen plead guilty to the theft of tires and wheels from the Martin Rodenbeck Company of Thorndale on or about April 25, 1956. The total assessed value of the

stolen property was \$90. Additionally the sentence called for a \$500 recognizance bond.

Jury was waived and with the guilty plea Judge Graham lectured the defendant saying that he would take into account that it was his first grave offense and so would deem him worthy of benefits of adult probation law in view of extenuating circumstances.

The suspension called for a nine point behavior pattern which commands the youth to commit no offense against this or any other state or the U.S.; avoid persons or places of disreputable or harmful character; report to probation officer Sheriff Carl C. Black at stated intervals; permit Black to visit him; work faithfully in school, remain in Texas and to refrain from driving an automobile between sunset and sunrise.

Letter carriers' uniforms are a 50-50 blend of the Union Blue and Confederate Gray.

Buckholts Badgers District 21 Champions By Game Forfeiture

Buckholts Badgers have an off-night on their schedule tonight, November 1, with a forfeit of their game with Flat scheduled on the home field. This forfeiture on the part of Flat gives the Badgers the championship of District 21.

Flat forfeited the Thursday night game because of injuries on the part of their squad members. A number of the players received injuries in a "donkey basketball game," reducing the Flat six-man football team to a point at which they are unable to field a team.

Next game for Buckholts will be next Thursday night, November 8, with Jarrell on their opponents' gridiron.

This championship of District 21 by the Buckholts Badgers indicate they must now face Hutto in bi-district play-offs. The Badgers played Hutto in a pre-district game on September 13 and lost by a score of 44-18. There is a possibility that this bi-district game may be played in either Cameron or in Temple.

NEW DODGE

(continued from page 1)

are at the service of 14 Ranger captains in the six state districts with headquarters in Dallas, Houston, Lubbock, Austin, Carri-zo Springs and Junction, Milton explained.

This Dodge engine has 285 horse power and the six-foot wide trunk space allows ample room to carry all necessary Ranger equipment including saddle, machine gun and ammunition, helmet, tear gas, walkie-talkie radio and a portable loud speaker system, Milton pointed out.

He further expressed the Dodge capability with a statement reportedly from Col. Homer Garrison when the Rangers' chief officer looked under the hood and exclaimed, "Now if we can get a little horse sense in the drivers, we'll have it made!"

LESTER FEED

(continued from page 1)

quate rainfall in this county. He operates probably the only industry in the county using almost extensively the products raised by county farmers and ranchers.

Feeds currently being produced at the Cameron feed mill include chick starter, growing mash, egg mash, poultry concentrate, broiler mash, pig and sow feed, hog feed, hog supplements, creep feeds and dairy feed. The policy of the lo-

cal mill is to produce these prepared feeds from home grown grains wherever possible.

As pointed out by Lester, this policy is only good business. Using Milam County grains, the farmers get just as much income from their products while the concern pays less as transportation for home grown grains is practically nil. Turn about is true for the sacked feeds. Livestock raisers can buy these feeds cheaper because there is no transportation fees added.

Lester, also pointed out that sale of the concern's feed formulas is not the only aim of the business. The mill is also available to farmers and ranchers whenever they wish to use it to crush and mix their own grains into formulas they have found profitable for their sole usage.

This anniversary of Cameron's Lester Feeds is being recognized by the management. Recognition is in the form of coupons found elsewhere in this edition of The Herald for which can be applied on purchase of one or an assortment of Lester's Feeds.

ELM CREEK

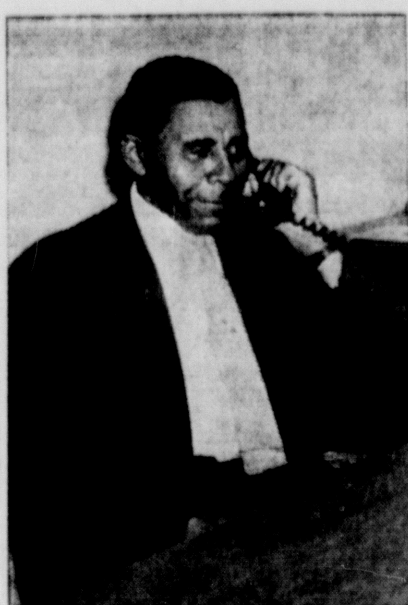

(Continued from page 1)

Bell from annual floods are about \$9,000 in repairs to roads and bridges. A survey made in 1945 showed that benefits to the watershed counties in excess of four and a half dollars for each dollar cost of the project at that time. Present costs for a turnkey job are estimated to run in the neighborhood of five million dollars, all of which will be footed by the Federal government.

Chairman Griffin will meet with Edwin Fischer and other members of the Soil Conservation Board of Supervisors on November 13 when formal application of the District is presented.

Advance meetings on the project were held in Yarrington, Cameron, Seaton, Troy, Oenaville and Moody and another has been called for Monday, November 5, at 7:30 p.m. in the Marakville hall. This meeting has been called by Ladis Slavik, a committeeman from that area.

Members of the official committee are: Buster Griffin chairman, Bartle Crenan, Roy Hensley and Albert Matula, all of Cameron; Ladis Slavik of Marakville, Ed Pagel of Yarrington, Walter Racchi, A. W. Reese and J. W. Holmes, all of Rogers; John Ma-

Milano F. H. A. Inducts Members

Candlelight ceremonies inducted new members into the Milano Chapter F.H.A. on Wednesday, October 24.

Flo Burch, Patsy Williams, Edna Bullard, Pearl Matthews, Carol Leatherwood, Joyce Popham, Doris Woolverton, Donnie Reese, Violet West, Peggy Pratt, Shirley Smith, Geraldine Brien and Mary Finney lighted their candle and pledged to uphold the high ideals of F.H.A. and then took places behind the officers table.

Following the ceremony the neophytes were "disguised" beyond recognition and each had to go to school as "decorated". Each had to beg pennies from classmates and friends. The Homemaking department then collected all the loose change from the new members and placed it in the treasury. Florence Burch collected the most money and won an F.H.A. pin.

Pictures were taken of each part of the initiation to be put in the club scrapbook.

The new members are already planning on next years initiation

SCHOOL MARM Julia Whiteside Hodge is shown above tutoring two of her 2B students, Zachary Wesley and Bertha Nelson, as they were "kept after school" for about five minutes on instructions of Principal Harnsberry to pose for a picture which would show off the ultra-modern facilities of the new O. J. Thomas Elementary school. Desks are self-leveling and the decor of the entire building is in colorful pastels. Desks were purchased from the American Seating Company of Dallas.

Cameron Yoemen Seek To Enter District Race At Killeen

Cameron Yoemen this week are going all out to get back into District 9-AAA running after falling 34-7 to Stephenville last Friday night. All players as of Monday were out for practice. Injuries, which hurt reserve strength earlier, appears to have subsided somewhat. Monroe Bayer, 201-pound tackle, and Gene Hillman, 185-pound end switched last week to tackle, are now back in the squad lending weight to an otherwise rather light line.

Injuries and illnesses earlier have tended to strengthen Coach Leo Jackson's team. With sophomores and juniors providing majority of players for the Yoemen, not only reserve but first string starters have gained with more experience in pre-district games. Yoemen no longer consist of only a single 11-man team. It is now a team of 24 hard-working youths, each of whom must never fail to let up in effort for one second as there are others able and willing on the bench ready to take over and do the job.

Cameron tomorrow night meets Killeen. For the last few years, Killeen has not only been a power in this area but throughout the state. Yoemen have former losses to Killeen to forget through a win tomorrow night. They also have the loss of their first district game of the season to remind them that a district standing for 1956 cannot be gained through further losses.

They are at a disadvantage in the fact they must meet the Killeen gridsters away from home.

There is a possibility that coaches of the Killeen team will run an integrated team out against the Yoemen. Cameron coaches have been instructed that should such be the case, they are to leave the field of play, forfeiting the game on policy, not on ability.

Yellow Jackets Win 34-7 Game

Cameron Yoemen last Friday night on their home gridiron failed to possess sufficient defensive tactics against end rounds and long passes as they fell before Stephenville Yellow Jackets 34-7.

Except in those two types of Jacket attacks, Yoemen were superior in both offense and defense throughout the first half in every department except that of scoring. In the second half, Jackets drew ahead on gains through the air and on the ground as long passes and end around runs paid off.

Scoring by Stephenville consisted of two tallies in the second period, one in the third and two in the final quarter. Conversions by the Jackets' 150-pound end, Wayne Stone, were good in every attempt except next to the last when his kick went a little wide of the uprights.

Sole touchdown for Cameron came early in the fourth period when Guy Dillon plowed over from the two for the tally and followed with another plunge over his right tackle for the extra point. The drive leading to this score began when Stephenville's Franklin Wood fumbled on the Cameron 32-yard line. The fumble was covered by Yoemen.

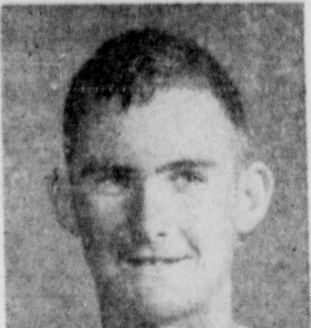

From that point, the Yoe eleven began their sole sustained drive with connecting passes from Bob Elliott to Ray Green, to George Zarosky and to Guy Dillon getting the ball deep into Jacket territory. This passing drive was assisted greatly by runs on the parts of Dillon and Arthur Marek.

First quarter of the contest was scoreless. It began with Dillon kicking off to the Jackets, who then went on a sustained drive of their own to Cameron's 24-yard line with runs by Yoe opponents. Guy Golden, Wood, Wayne Zimmerman and Mike Keahey. A fumble by Jacket Quarterback Zimmerman on the 24 was covered by Yoe Guard Raymond Tepera.

Cameron players, coaches and fans to that point had been holding their breaths. However, it looked as though the tide was changing as successive gains by Dillon, Warren Rinn and Arthur Marek carried the ball into Stephenville territory. But Rinn fumbled as he gained to the Jacket 32-yard line and Stephenville took over, but fumbled two plays later and Green claimed possession for the Yoemen on the Jacket's 31-yard line. This time the invaders' wall held and they took over on downs on the 21 with seconds remaining in the first quarter. Zimmerman picked up a first down to the 31 as the period

Salute To Turner Newton Yoe High Football Manager

By Gene Hayes

You will seldom hear members of the Yoe coaching staff or those of any other team place the value of one player higher than that of another. This is the right attitude on their parts. It takes an entire team including the bench strength to win a game.

However, at the October 22 Quarterback Club meeting, Coach Jackson did praise one boy. The boy - Turner Newton, Yoe manager - is not a player of the team. Yet, his work is as essential as any of the players. If any criticism can be made of the coach's words of commendation, such could only be that he failed to give enough credit.

Managers of football squads or any other teams work hard before and after players have ceased as well as during games and practice sessions. They perform real

work. First play with resumption of the game in the second period found Zimmerman tossing a lateral to Wood, who went around his right end and to paydirt. Stone's conversion was good. Stephenville led 7-0.

Second kick-off of the game was taken by Rinn on the 10 and returned to the 15. From that point, runs by Dillon, Rinn, Elliott and Hubert Marek and an Elliott-to-Archie Mraz pass advanced the Yoe eleven to the Stephenville 42-yard line. It became necessary to kick but Jesse Kirk's attempt was only good for 11 yards where the Jackets took possession.

A long pass from Zimmerman to Buddy Bailey set the Jackets in scoring range amounting to only 14 yards for the visitors. Wood almost got away around his right end but was blocked out of bounds by Allen Dodson. A Zimmerman-to-Bailey pass was good over the goal line but a penalty voided that try. Then Zimmerman on his own crossed over through the Cameron line and Stone converted with 47 seconds remaining in the first half.

First period in the second half seemingly began to look much like the initial period. Yoemen received with Arthur Marek running the kick-off from his 25 to his 35. Dillon, Rinn and Marek started a drive that carried without let-up to the Stephenville 15-yard line, where Dillon fumbled and Jackets covered the ball. Three plays later, Mike Keahey and Golden had carried to their own 46-yard line. Keahey then got loose around his left end and except for a block-tackle by Yoe Halfback Toddy Lawrence on the Cameron 38-yard line, would have been loose to tally. However, a pass from Zimmerman to Bailey again rang the score register for Yellow Jackets and conversion try by Stone was good.

Cameron Yoemen then slipped in their only score for the game. Dillon followed by kicking off and the ball was taken on the Stephenville 43-yard line. Golden gained the 49 and on the second play after kick-off, Wood went around his right end with only Toddy Lawrence between him and the goal. Lawrence did not have the needed speed and Wood went all the way.

Dillon took the following kick-off on his 31 and gained to the 36. An Elliott-to-Rinn pass carried to the 39 in Stephenville territory. Dillon got to the 36 on a plunge

manual labor while players get all the praise of fans. Theirs is a performance of tasks which goes unrecognized except by the team and the coaches. These little jobs are quite often administered to them in yells of anger.

So along with Coach Jackson and his staff, we take off our hats to Turner Newton for a "job well done." At the same time, we might even suggest the Yoe High Band give a special salute during a halftime interlude at some game on the local field in behalf of Turner and his assistants.

Women Quarterbacks? Seems to us a possible club of women quarterbacks would be advisable to create more interest in football on the part of lady fans!

Ask almost any woman why she never or seldom attends a football game, and what answer do you get? Nine out of 10 times it will be because she fails to understand the game tactics. Unlike baseball, basketball, tennis, track, bowling and most other sports, football on the playing field is an exclusively male sport.

The cause for this is the physical severity of participation on the gridiron; not a lack of interest in the sport. Thus not having the opportunity to study and learn individual plays, offensive and defensive tactics, why

and to the 34 on a short pass from Elliott. Tables then turned and Johnny Davis was thrown for a five yard loss and Elliott fading to pass was dropped on the Stephenville 46-yard line where Jackets took over on downs.

Again Stephenville passing with Zimmerman tossing and Wood catching marked an advance to the 14-yard line where Raymond Tepera halted the drive temporarily. However, on the following play with Golden taking a handoff and failing to find freedom but lateraling to Wood, the sixth and final touchdown was made by the Jackets. Stone's kick was again good for a point.

Ted Matula's Bowling Improves

It was a much improved bowling game for everyone concerned this week, especially for Ted Matula, a quiet fellow, who turned loose Tuesday night and had pins flying in every direction and grossed a sweet 545, a record for this season to date, with his 175, 204, 166.

He could do no wrong and when asked how come, he replied, "I've been following the book". Other kegglers were equally as hot and breathing down Ted's neck with M. Boyer rolling 532, L. Hollas 522, J. Zawadzke 510 and J. Humplik 509.

Good bowling was witnessed between Pearl and Dr. Pepper Wednesday night. The Pearl boys and Dr. Pepper snowed under and were leading them by 115 pins going into the 3rd game. The Pepperites started hitting the 1-2 pins going into the 3rd game. The Pepperites started hitting the 1-2 pocket and came back for a nice 2 and 2 tie. The Alcoa men were on the beam and shut out K of C, the unpredictable Grand Prize lads whipped Falstaff 3 to 1, while First National Bank beat KMIL 3 to 1 to tie for first place.

The champ this week is L. Hollas with his high of 209, with T. Matula second 204, and third to M. Boyer with his 200. L. Hollas and J. Rice knocked over 4 straight strikes with T. Matula getting the single turkey.

Some of the rare splits that were picked up were M. Boyer with the almost impossible 8-10,

and whereof of running particular plays and psychology of the game, they find less interest in watching the sport.

Our suggestion would be a Ladies' Quarterback Club. Game officials could attend to explain penalties given while the coaches could run films of previous games, and explain the intricate plays of the game.

Natural stars on the team may be born as such. It is our opinion that grid fans must be created. With such a club, maybe more women would become avid fans while others might not complain too much if and when the men of the house wished to see a game.

Always Game
Dove season has terminated. Yet, we understand "Brandy" Brandenburg has found a new game as target for his sharp-shooting (?) on his days off from work. Within the past two weeks, he claims to have killed three skunks.

L. Hollas 5-7 and 3-10, C. Burke 5-7, J. Zawadzke 5-10 and H. Mer cer 5-6-7.

The Mixed league that starts in three weeks and will be rolled on Fridays, has a few openings. Anyone who would care to participate please contact E. Hollas, the alley manager at 1002.

Aid For Aggies Is A&M Mothers Club Purpose

Help for needy Aggies is the purpose of the A and M Mother's Club of Milam County as enunciated by the president, Mrs. O. G. Tumlinson at a meeting on October 25 in the home of Mrs. G. W.

McLain. Following a report of the board meeting at the college recently attended by Mrs. Niley Smith, Sr., the subject of raising money for helping needy students among the fifteen now at the college resulted in a decision to pick up and sell old newspapers and magazines which will be sold to a Houston concern.

Delivery and storage of the valuable waste paper was assured

the club by C. W. Hudson, a local merchant, who has a son graduated from the college.

It was stressed that in those homes where such waste paper has accumulated if the housewife will call 297 she can make an appointment for pickup.

Ten members were served cake and coffee and the club accepted the invitation of Mrs. Niley Smith, Sr., to hold the January meeting at her home.

National Hall, New Cameron Bowl High Scores For Week

Top two high teams in the Cameron Women's Bowling League for the past week in single games and in series were National Hall with a 614 single and 1615 series and New Cameron Drug with a 576 single and 1603 series.

Three high individual single games were rolled by Barbara Gurecky, 181; Barbara Schattler, 179, and Ida Michalka, 175. The latter two also took a series score of 456 and 472, respectively. Barbara Gurecky and Dorothy Dillon each accounted for a turkey with the latter picking up a 2-10 split.

Jody PPernece of the Pearl team, Mary Palansky of the Falstaff team, S. Bridges of Coca-Cola team and Ann Laake of the Woodum team each picked up a 2-7 split. Lillie Junek of Pearl picked up a 7-5 split and Ida Michalka of Vaculin accounted for a 3-10 split.

C. Gurecky received the consolation prize for the lowest three game series. Prize was a carton of king size drinks presented by Gene Blake, manager of the Coca-Cola bottling company. Ida Michalka with a high of 18 spares in a three game series was presented with a shampoo and set by Audrey's Beauty Salon.

VOTE VOTE VOTE

It is our duty to vote. Again, the number of delegates to the County Convention from your voting box depends on the number of votes cast for Governor at said box at the last General Election. The number of delegates from Milam County to the State Convention depends on the number of votes cast for Governor in all of Milam County at the last General Election.

As perhaps the oldest member of the Milam County Democratic Executive Committee, both in age and length of service, I am tired of calling the roll at our County Convention and finding a number of our rural boxes not entitled to even one delegate and Milam County only entitled to six delegates to the State Convention, when there could be ten or fifteen.

I am not asking you to vote Democratic, Shivercratic nor Republican. That is your privilege. But I do urge you to go to the polls and vote your sentiments.

E.A. Camp

Chairman, Precinct No. 15

From where I sit... by Joe Marsh

Fastest "News Service" in Town!

Had a frantic wire from Washington yesterday—saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast?

No time for a special edition of the *Clarion*, so I turned to the fastest "news service" in town... Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies—all pretty fair talkers—and the rest is history. Biggest turnout ever.

As a newspaperman, I hate to admit it—but facts are facts. The Windys of this world aren't only quicker news spreaders

than our paper... they've even got better circulation.

From where I sit, some of us would rather talk than eat, while others are close-mouthed... just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab—don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

Will The BIG CITY GOP Machines Control Texas Again?

In 1952 Republicans Won Texas

In The Big Cities

Don't Let It Happen This Time!

Vote Tuesday!

THE REPUBLICANS CARRIED TEXAS IN 1952. BUT THE GOP FAILED TO WIN AN ALL-TEXAS VICTORY.

• Eisenhower's lead in Texas was 133,650 votes.

Nearly all this margin — 133,002 votes — came from only eight big-city counties: Bexar (San Antonio), Dallas, El Paso, Harris (Houston), Lubbock, Potter, Tarrant (Fort Worth, Travis (Austin).

• More than half the 1952 Republican votes came from the big-cities of Texas.

• Outside the five largest counties, Republicans squeezed through with a lead of less than 1 percent.

TEXANS OUTSIDE THE BIG-CITY PRECINCTS KNOW WHAT REPUBLICANISM MEANS: NEGLECT, INDIFFERENCE, DEPRESSION. THAT IS WHY IT IS IMPORTANT THAT YOU VOTE TUESDAY.

• The big-city GOP machines don't care about you.

• Remember: four years ago, Democrats piled up an 85,000 vote lead in 106 small-town and rural Texas counties — only to have that lead wiped out by the votes from Dallas and Houston alone.

MAKE YOUR VOTE COUNT! GO TO THE POLLS TUESDAY AND TAKE ANOTHER DEMOCRAT WITH YOU. DON'T LET THE BIG CITY REPUBLICAN MACHINES CONTROL TEXAS—AND YOU.

Make Your Voice Heard!

VOTE DEMOCRATIC

From Court House to White House

(Pol. Adv.—Paid for by Texas Democratic Campaign Hdq., Warren Woodward, Exec. Dir.)

Education - Key To Prosperity

Cameron and Milam County citizens will be at the polls Tuesday, November 6, to cast their ballot according to their will. They will have their choice of favoring Amendment No. 4 and better retirement plans for teachers or of being in opposition to the amendment and the plans.

Our community is a vital part of a state and nation which leads the world in standards of living. Those high standards now lead and will continue to lead all world standards so long as our educational system is such that we can train our youth to hold domination of the means and "know-how" of World economy.

Currently too many of the higher caliber members of the teaching profession are entering other fields of endeavor. They enter this trend to raise their standards to that of their neighbors'.

The Herald favors this amendment and believes with the policy of The Fort Worth Star-Telegram that helping teachers will help the education of our youths. The Fort Worth daily sets forth its arguments as follows.

Some Texas teachers retired under the state's present teacher retirement program receive pension payments of only \$20.87 a month. Some teachers facing retirement within a few years can look forward under the present program to pensions of not more than \$50 a month. Either amount, in this day of high prices, is a pittance.

Even in 1937, when the program was adopted, it was a modest one. It remains one of the few pensions plans that has not been changed, updated and improved. Low earnings of teachers during the depression years are reflected in the low benefits received by a teacher retiring today. Teachers compelled to quit because of physical disability before they have the years and the service required to qualify for pensions are entitled to nothing under the existing plan.

Liberalization of this inadequate retirement system is the objective of one of the constitutional amendments that will be on the November 6 ballot in Texas. The new plan, for which enabling legislation already has been passed, provides for the teachers to contribute a larger part of their pay toward the fund for their retirement, and for the state to match this increased amount. This tentative law provides a minimum benefit of \$100 a month for the teacher who retires at age 60 after 20 years of creditable service or at age 65 after 10 years of creditable service. Lesser benefits are provided for those who retire at 55 after 15 years of service or at any age after 30 years of service. Lesser benefits also are provided for other school employees than teachers. Likewise the amount received by those already retired would be increased.

The new plan would provide death benefits and payments to survivors—something the present system does not include.

All this will cost the state money, just as it will cost the teachers money. The estimate is that the immediate cost to the state will be \$4½ million a year. As the number of teachers increases, the contribution required of the state will increase.

We believe it is worth it. Like all states, Texas has the problem of recruiting more and more teachers and building more and more classrooms to take care of the swelling school population. The problem is compounded by the fact that each year Texas loses 7,000 teachers with classroom experience. The objective must be to hold the teachers we have as well as to attract new ones. By its provision of greater security for teachers, we believe the proposed pension plan liberalization would help in this respect.

Exercise Your Duty

Qualified voters in Milam County owe it to themselves to cast a ballot in the forthcoming election. Residents of all the Southern States are currently working to maintain their "States' Rights."

This work to keep power relating to control of home affairs within the individual states can best be forwarded by voting at every opportunity. It matters not what side of an issue you take in exercising your right to vote so long as you cast a ballot. The main thing is **To Vote**.

Our number of delegates to the county convention depends on the number of votes cast for governor at each precinct box at the last general election. The number of delegates from Milam County to the State Convention depends on the number of votes cast for governor in all of the county at the last general election.

A number of the rural boxes within Milam County in the past have failed to receive enough balloting to allow those particular communities to have a single delegate at county conventions to further their own needs. The county now sends only six delegates to the State Conventions while the number of qualified voters, were they performing their rights, could raise that number to from 10 to 15 delegates.

Vote and you have the moral right to complain of conditions locally, in the state capitol and in Washington. Stay away from the polls on election day and all fault of future actions by any governing body is caused by your failure to act.

The Cameron Herald

Published every Thursday at Cameron, Milam County, Texas. Entered as second-class matter in 1979, in the Post Office at Cameron, Texas.

NOT A SUNSET, BUT A SUNRISE

LITTLE RIVER PHILOSOPHER FAVORS NEW COMMUTING TAX LAW PROVIDED IT CAN BE APPLIED TO HIS FARM

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River may have an idea this week, but you never can tell.

Dear editor:

Everybody who can remember from one campaign promise to another has just about given up any hope of ever getting a cut in taxes, so as resourceful Americans the only thing that's left to do is figure out more ways to charge up more things to expense, to whittle down on your income tax.

I was very pleased to read in a copy of a newspaper which a campaign worker let me here last week while he was urging me to go to the polls and vote, which is the only reason I can think of going there in the first place, that a candidate running for office up in New York has come out for a plan to allow people to charge up as expense against their income tax the cost of traveling back and forth to get to work, or commuting, as they call it up there.

According to him, big business is allowed to charge up all sorts of expense items, such as entertaining, hauling customers around attending conventions, etc., and the average person ought to be allowed to charge up the cost of getting to and from work.

This is a fine idea and I hope you throw your influence behind it, if you haven't misplaced it.

For example, say a man lives five miles from his work, which a lot of farmers will be doing if farming doesn't improve and they can swing a job in town, he ought to be allowed to charge up the cost of traveling back and forth as a legitimate expense on his income tax.

Or take me. Now I didn't plan on getting a job in town because the farming situation may be bad, the farming situation has been bad most of my life but not bad enough to drive me to a job in town where somebody else is boss but there's some traveling to and from work on a farm. For example, say I'm starting out to dig some post holes. Anybody who has ever dug post holes by hand knows it takes considerable psychological build up to tackle the job, sometimes requiring a fishing trip just to strengthen your nerve.

If a man travels fifteen or twenty miles and fishes a while to improve his frame of mind before setting in to build a fence, what's different in that from riding a commuter's train out of the hurly burly of New York in the late afternoon to your home in the country so your nerves can recuperate over night for the battle in the city the next day?

This sounds like a good law to me and I hope you'll dig out your influence and help get it passed. Clean off your desk and see if you

Water Election Set December 1

Election for determination of whether or not the proposition, "Shall the Board of Directors of Milam County Water Control and Improvement District No. 1 be authorized to issue the bonds of said District in the principal sum of not to exceed \$138,000, maturing serially or otherwise, not to exceed six percent per annum, payable annually or semi-annually," be upheld will be held December 1, 1956.

Purpose of the proposed bond issue is to provide financial strength to the district so a water supply and distribution system can be obtained. The board also seeks to be authorized to levy and collect annually, taxes for the purpose of meeting interest and principal payments on the bonds.

Payment of the bonds will be secured also by a first lien on and pledge of the district's net revenues. This revenue will be all income coming from the district's plants, facilities and improvements after deduction of administration, operation and maintenance costs.

Entire area of the district will comprise one election precinct. Polling place for the election will be at the Buckholts School, Buckholts, Texas. Officers of the election are to be Jim Petruy, presiding judge; O. L. Daniels, assistant judge, and Clara Balusek and Opal Gandy as clerks.

Plans for construction of needed improvements and facilities have now been completed. These plans show the costs of such needed facilities and improvements including engineering and legal expenses shall total only \$138,000. This figure provides for a well at the cost \$42,000 with the needed pipe in two and six inch sizes, house services, storage tank, pump, motor, aerator and ground storage and land for concentration of the water installation also included in the total figure of \$138,000.

Need of such facilities is realized by those within the water district as they recognize loss on crops during the past year due to the drought in the area.

Growing seasons without rainfall are almost entirely lost except where water storage from which irrigation projects can operate are available. It is realized that good and substantial rainfall or a year would eliminate need of irrigation for a single year. More important still is the realization that future periods of drought are possible and expected. Provision for such periods now prevents disaster when drought threatens again.

Directors of the water district are Frank Tomascik, president; Adolph Gresak, vice president; W. E. Beckhusen, secretary, and Fred Gresak and John Zajicek, directors.

can't find it somewhere around there.

Yours faithfully,
J. A.

District Court Has Busy Docket

Judge O. D. Graham will "Call the docket" in Twentieth District Court Monday, November 12.

The docket now consists of approximately 200 cases, according to District Clerk Grady Allen, the last of which is numbered 14,411 and the oldest on the docket is number 12,520 filed September, 1945.

The oldest suit has already been set on the docket for trial on November 13. It is a case between Lenora S. Atwell and Bond Sneed Talk et al. Enveloped in the disputed property case is J. B. "Bill" Sneed of Dallas and formerly of Milam County.

Plea For Linen, Clothing Made

Urgent pleas have been issued by Mrs. Bill Burns, re-elected president of the Child Welfare Board of Milam County at a meeting on October 23, for more children's clothing, blankets, quilts, sheets and towels.

Mrs. J. L. Hale, the treasurer, reports five welfare cases handled with others taken under consideration.

All officers were re-elected at the Rockdale meeting. Others are Mrs. Grady Stidham, first vice-president; Mrs. Boswell Newton, second vice president, and Mrs. R. J. Woodum, secretary.

Next meeting of the board will be in January with Mrs. B. F. Robinson in Cameron.

Telephone Progress

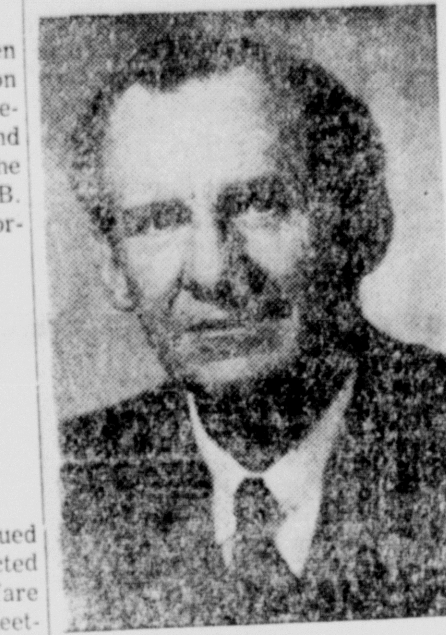

If the telephone company still had to depend on the old manually operated system instead of the dial phones, notes Reader's Digest, there would not be enough women between the ages of 18 and 40 in all of the United States to perform the job now required by telephone traffic.

Today's Text: Samuel said to all the people, See ye him whom the Lord hath chosen, that there is none like him among all the people? And all the people shouted, and said, God save the king. "Our Father, enable us to know and do thy will in the voting booth. In Jesus' name. — Amen.

Former Cameron Attorney Sets Lubbock Judicial Conference

A comparatively small group of some 200 men, responsible for administering justice for eight-and-one-half million Texans, will assemble in Lubbock in November to discuss mutual problems.

Presiding Judge W. A. Morrison of the Texas Court of Criminal Appeals and formerly of Cameron, who heads the Judicial Section

W. A. Morrison

of the State Bar of Texas, announced the group's annual conference in Lubbock November 8-9-10.

Purposes of the conference, Judge Morrison said, are to provide opportunity for Texas judges to get together for group study of more recent decisions on questions of first impression so that the entire judiciary may know the current status of the law; and gives them a chance to discuss problems common to the judiciary and try to work out the solutions.

Judicial section membership, numbering exactly 203, is restricted to judges of the Supreme Court, Court of Criminal Appeals, Courts of Civil Appeals, district courts and county courts-at-law.

The three-day meeting will include panel discussions on various phases of negligence law, trial of civil and criminal cases; domestic relations law; examination of witnesses and other subjects pertinent to the judiciary.

District Judges James G. Denton and Victor Lindsey of Lubbock are in charge of local arrangements.

Richard Jenness Enters Gown Order

Richard C. Jenness is one of 54 upperclassmen at the University of the South at Sewanee, Tennessee, to be installed members of the Order of Gownsmen.

Jenness is the son of Mr. and Mrs. Clifton B. Jenness of 206 East 7th Street in Cameron.

Only upper classmen in good academic standing are eligible for membership in the Order. This student organization serves as the student governing body.

It requires its members to wear black academic gowns to all classes and chapel services.

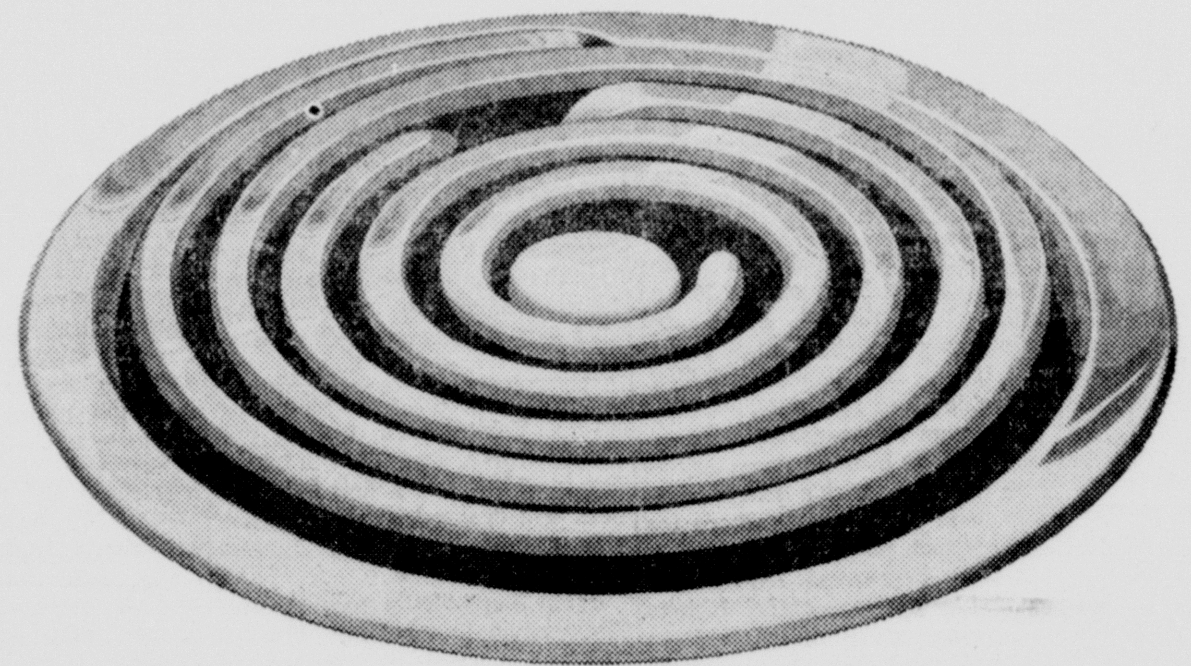

John T. Scopes was arrested and convicted for teaching Evolution at Dayton, Ohio.

RFD Letter Carriers Here Aid Award Win

Rural letter carriers of the Cameron Post Office contributed to the winning of an award won by the Louisiana-Texas postal region according to a statement by John R. Hays, postmaster.

The postal region's 2,500 drivers placed third in the passenger car division for safety recognition in the 25th Annual National Fleet Safety Contest. Awards were based on performance from July, 1955, through June, 1956. Hays said. The National Safety Council made the awards.

Hays said, "During the year the rural carriers of the two-state region covered 31,060,814 miles with an accident rate of only .03 accidents per 100,000 miles."

It's Elementary...

Takes no Hawkshaw to deduce the advantages of the electric range element... that wonder-cooker on the surface of electric ranges... or as an integral part of kitchen built-ins. It's wonderful how currents of energy are harnessed in the electric element... to give you such clean, cool, safe, positive, economical heat for that most continuing of all tasks... cooking.

It is controlled, automatic heat... leaving you extra moments of leisure. Clean electric heat leaves pots, pans, curtains, and walls soot-free... saving hours of scrubbing. Second to none in cooking time... the electric element comes up to full heat in a matter of seconds. And because heat can be so accurately, so efficiently, applied... less water is needed, saving valuable vitamins and minerals. If you haven't switched to electric cooking... you're missing so much of today's freedom from drudgery.

See your dealer today for an electric range...

"TO MAMA"

Oh, why did you have to leave us?
There are those who need you so;
We listen in vain for your footsteps,
And your greeting—a cheery "Hello".

Dear Mama, your voice is stilled now,
And your laughter that rang out in fun;
Your hands that once were so busy
Are resting from labors well done.

No more will you say to your children,
"I'll look for you Sunday, so come"
No more will we know the sweet pleasure
Of a visit from you in our home.

"She's gone! She's gone!" the leaves whisper,
As they flutter about in the breeze.
"She's gone! She's gone!" There's a sadness
In the autumn look of the trees.

The sun shines as brightly as ever,
It sends out its golden rays,
Yet winter has entered our hearts now,
And sorrow has shadowed our days.

O help us, dear Lord, to remember
That her work here on earth is done,
And a vacancy is filled up in heaven;
For her the victory is won.

We loved you and honored you, Mama;
Your memory is precious and sweet,
And some day we'll have a reunion
With you at our Saviour's feet.

Written in memory of Mrs. John Dueser
by her daughter, Mrs. Walter Hagemeister

☆ News From Jones Prairie ☆

Mrs. S. S. Hickman

Mrs. J. D. Martin honored her son, Ted, on his fifth birthday, October 20, from 9:30 to 11 a.m. The play room was decorated in Halloween colors, witches and Black Cats.

The guests enjoyed playing with toys and looking at Ted's collection of pets, rabbits, parakeet, doves, pigeons, and last but not least, his dog.

Following the games, the honoree blew out the candles on the cake, while the children sang, "Happy Birthday." Mrs. Robert Glenn baked the cake, in the form of a witch with cup-cakes clustered around, bearing each child's name on the individual cake.

Attending were Stevie Thweatt, Dan and David Bailey of Branchville, Gary Thweatt, Aubrey Warwick, Johnny and Kenneth McLerran of Maysfield, Mike and Mark Hensley of Belmena, Ned McElwrath of Lexington and Patsy Stidham.

Favors were Halloween noise makers. Soft drinks and cake were served. The mothers of the children attended the party and included Ted's grandmother, Mrs. Julian Burnett.

Rev. E. C. McDonald of Austin was the guest speaker for the morning and evening services at the Little River Baptist church Sunday. He was a dinner guest of Mr. and Mrs. T. B. Stidham.

Recent guests of Mr. and Mrs. R. K. Fontaine were Mr. and Mrs. Mack McGann and daughter Linda, of Beaumont.

Guests in the home of Mr. and Mrs. W. B. Burnett over Sunday were Mr. and Mrs. Giles Burnett and son, Newton, of Hoyte, and Mr. and Mrs. Leland Burnett of Rockdale.

Mr. and Mrs. V. W. Hawk attended the A and M-T.C.U. football game in Bryan Saturday. Mr. and Mrs. Hawk have recently moved into our community. Welcome.

Billy Don Davenport and George Wade Jones were overnight guests of Gordon Parker Wednesday.

Soil Bank Payments Total \$230,430 In Milam County

Payments to 732 Milam County farms for compliance under the Soil Bank Program totaled \$230,430.02 through Friday.

On Monday morning there were 15 additional checks signed by Margie D. Benesh and ready for

Mike Atlas of Temple.

Mr. and Mrs. John Zajicek and son, John Roy, spent the past weekend visiting relatives in Houston.

Mrs. S. M. Corley attended a Halloween party Friday afternoon at the home of Mrs. R. L. Batte, Sr.

John R. Meyer of Houston was a Sunday guest of his parents, Mr. and Mrs. J. W. Meyer.

Mrs. Delphin Schiller was hostess at her home Sunday for a birthday dinner honoring her husband, Mr. Schiller, and father, Paul Fuchs, who celebrated joint birthdays.

Roast turkey and all the trimmings was served at noon to the following family members: Mrs.

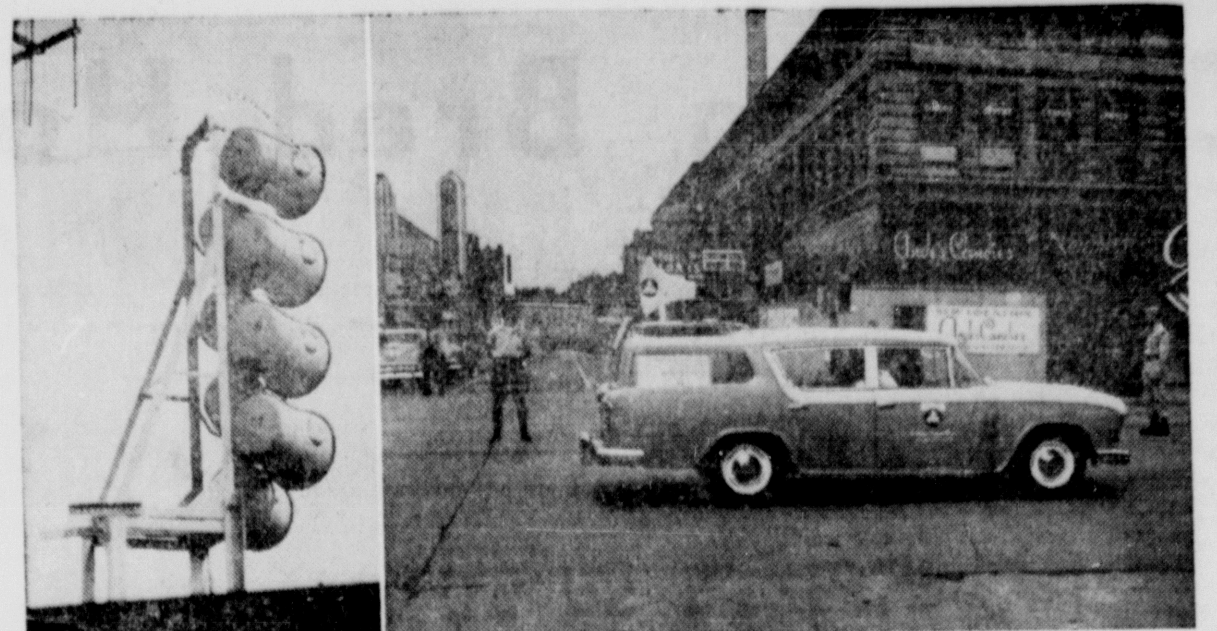

countersigning by Soil Banker Alva Sanders in the amount of \$2,499.61.

Sanders stated that approximately 60 farms have not concluded their transaction to date. He explained that some claims were filed by agents and his A.S. C. office awaits proper clearance while some didn't meet the minimum requirements but that all, in time, will be paid.

This year's payments under the acreage reserve program was unlimited but succeeding years the program will undoubtedly have certain limitations which have not been learned on the local level at this time, Sanders said.

In 1957 another program known as the Conservation program will

Paul Fuchs, Mr. and Mrs. Carl Gonten and children, Mr. and Mrs. Harold Fuchs, Mr. and Mrs. Barbee Barrett and son, Norvell and Mr. Schiller's parents, Mr. and Mrs. Edward Schiller from Ben Arnold.

'BIG VOICE' test in Gary, Ind., conducted by the Federal Civil Defense Administration, used the first such test in the nation took place on the opening day of Operation Alert 1956 with 32 units to reroute motorists and give "take cover" and "evacuation" instructions. Big Voice would supplement sirens in heavily populated areas to issue specialized civil defense instructions. The first such test in the nation took place on the opening day of Operation Alert 1956 with 32 units to reroute motorists and give "take cover" and "evacuation" instructions. Big Voice would supplement sirens in heavily populated areas to issue specialized civil defense instructions. (Lewis & Martin Photos)

go into effect along with the Acreage Reserve program, it was stated.

The formula under the present program was the yield of a farm (based on history) multiplied by the acres times fifteen cents per pound up to 50 per cent of the allotment based on the 1953, 1954

and 1955 yields.

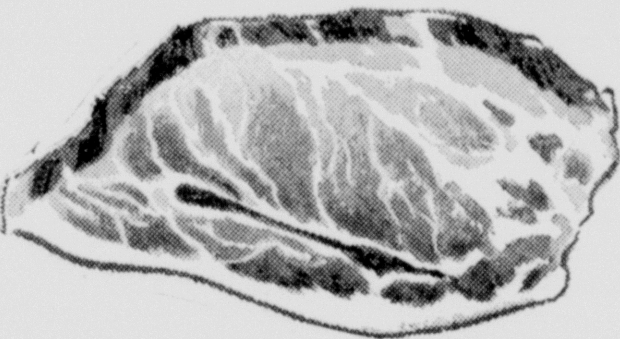

Office Secretary Margie D. Benesh explained that the total payments quoted above are for cotton and peanuts turned in to the soil bank.

Cameron Bred Horse Sires President's Steeds

Blood from a Cameron ranch is now running in the pastures of Gettysburg, Pennsylvania as the result of a gift of two quarter mares to President Eisenhower.

Lester Goodson, president of the Quarter Horse Association of Houston, gave two registered mares in foal by Bullseye, who is by Joe Reed II of Cameron to the president.

Joe Reed II, born and bred at the Cameron ranch of John W. House, now lives on a ranch 20 miles out of Tucson, Arizona, which recently became the property of Audie Murphy of world war II and cinema renown.

House at 83 is still raising Quarter Horses out of the Joe Reed line and has more Joe Reed horses than in the rest of the U.S.

Tyson Freeman is another Cameron Quarter Horse man with four double bred Joe Reed mares, one of which is a half sister to Joe Reed II. Another is "Joe's Ghost" a 15-month old that will be ready to run in the spring.

Leo, another House horse foaled in 1940 was sold in 1942 as a 2 year old to John Tillman who raced him extensively as a 2 and 3 year old in Oklahoma. He heads the list through 1954 with the most qualifiers having run in Grade AA time or higher since records have been kept on Quarter racing.

It is in name only that Leo can be associated with the lion because his disposition is extremely well mannered, like his sire, Joe Reed II, says a report in the

Leo, top Quarter Running Horse Sire

Quarter Horse Journal.

Spirit, courage and a fighting heart are seldom put in a horse by training, says the article in the Journal. These are gifts the horse gets from his forebears and Leo has it, his colts have it and his grand colts are proving to have it too. with Joe Reed in their background, why not? No discovery of science has proved a substitute for blood, the article concludes.

Leo is the sire of two Quarter Horse champions, Leola and Leo-lita, both AAA race horses and both futurity winners and halter champions. Leo won the Oklahoma get of sire trophy at halter three years. His produce won eight of the nine Oklahoma 2 year old race futurities, from 1947 through 1955.

Most of Leo's racing was done before establishment of recognized tracks although his 300 yard record of 16.0 is better than the 16.5 recognized by the American Quarter Horse Racing Association since its inception.

Little Known Facts

When completed the St. Lawrence Seaway will be the longest inland waterway ever created for ocean-going vessels, according to Reader's Digest. Its 741 miles from the mouth of the St. Lawrence to the Great Lakes compares with 163 miles for the Suez Canal and approximately 59 miles for the Panama Canal.

Japanese Customs

The Japanese are so appreciative of moonlight according to the November Reader's Digest, that many of their homes are built with a special "moon-viewing window." The first snow is the subject of many Japanese poems and paintings.

No Disease Report

Week ending Saturday, October 27, passed without a single reportable disease being diagnosed in Milam County.

This report of "No Diseases" was released by Dr. John R. Bryson, director of the Milam County Health Unit.

News From Sharp

MRS. FLORENCE SPIEGEL

Kamar Red Lavender 2d, is pictured as she was made grand champion Shorthorn female at the State Fair of Texas, Dallas: It was the third time this smooth red Shorthorn had won grand champion honors, others being at the Ozark Empire and Oklahoma State Fairs. Owned by Schofield Ranch, Austin, Tex., the animal is shown by Vernon Schofield while Allan Atlason, Chicago, secretary of the American Shorthorn Breeders' Association, presents the award.

Supervisors of the Taylor Soil Conservation District held their regular meeting September 27 in Taylor according to a report received here.

The meeting was attended by Supervisors W. F. Voelker, Henry Pumphrey, A. W. Butts of Rockdale, A. C. Crumley and George Dollinger, Otto Bohls, LCRA, A. W. Brown, WUC of Taylor and W. F. Saage, WUC of Rockdale, also attended the meeting.

Supervisor Butts reported that following a call by himself and Pumphrey upon the Rockdale State Bank, that business institution made a donation of \$105 used to pay dues to the National Association of Soil Conservation Districts.

Four agreements with farmers serviced by the Rockdale Work Unit and covering 985 acres were reviewed and approved by the board. Other approved agreements were one covering 240 acres by the Georgetown Work Unit and seven totaling 734 acres serviced by the Taylor Work Unit.

Voelker, chairman of the district supervisors board, pointed out these 12 added district agree-

ments increases by 1959 acres the farm land inside their district now being operated on recommended practices of soil and water conservation.

Channel Terraces

District cooperator C. M. Seale of Bartlett has constructed one and one-half miles of large channel type terraces on his farm immediately north of Bartlett, Texas. A maintainer was employed to carry out the construction phase of the practice. These terraces will provide protection against sheet and gully erosion action from uncontrolled run-off waters on approximately 30 acres of sloping cropland.

Construction of these terraces completes the major portion of the terracing program planned by Seales on his cropland unit, according to Soil Conservation Service personnel of Bartlett. The erosion protection provided by the terraces will be further supplemented by contour farming, management of crop residues on and near the soil surface, rotation of crops grown, inclusion of broadcast crop acreages, high residue producing crops and winter or

Farm Bureau Board Meeting

President of the Milam County Farm Bureau, O. G. Tumlinson, has called his first meeting of the board for 7:30 p.m. tonight (Thursday) at the Cameron office of the Bureau.

Plans for the state convocation of the Bureau to be held in Houston with headquarters in the Rice hotel on November 11, 12, 13 and 14. The selection of 11 delegates will be the main order of business according to the office secretary, Miss Lenora Bickett.

National convention of the Farm Bureau will be in Miami, Florida, on December 9-13.

Open House Set

Open House at Southwestern University will follow exercises dedicating the Kyle White Religious Activities Center on Wednesday, November 14 at 2 p.m.

The activities center is a gift of Mrs. Kyle White of Anahuac, who is a member of the Methodist Church there and pastored by Dr. Mark Majors, formerly pastor of the First Methodist Church in Cameron.

summer legume crop acreages.

Enlarging Farm Pond

Enlargement of a farm pond dam is to be accomplished on the Louis Steglich farm west of Bartlett. A bulldozer has been employed to construct the enlargement. The pond is being enlarged to provide a greater volume of available stock water at greater depths than has been available on the Steglich pastures in the past.

Many ponds of the Little River San Gabriel Soil Conservation District area which have been dependable sources of water in the past have dried up this past six months. Numerous enlargements of such structures have been made by district cooperators.

These enlargements can be made with the heavy machinery commonly available to the District only at such times as the reservoir is dry, says Michael Brown Soil Conservationist stationed at Bartlett. Assistance is available through the district in re-staking and designing the structures for enlargement, he says, and from your respective county ASC Committee services for partial payment of the practice costs.

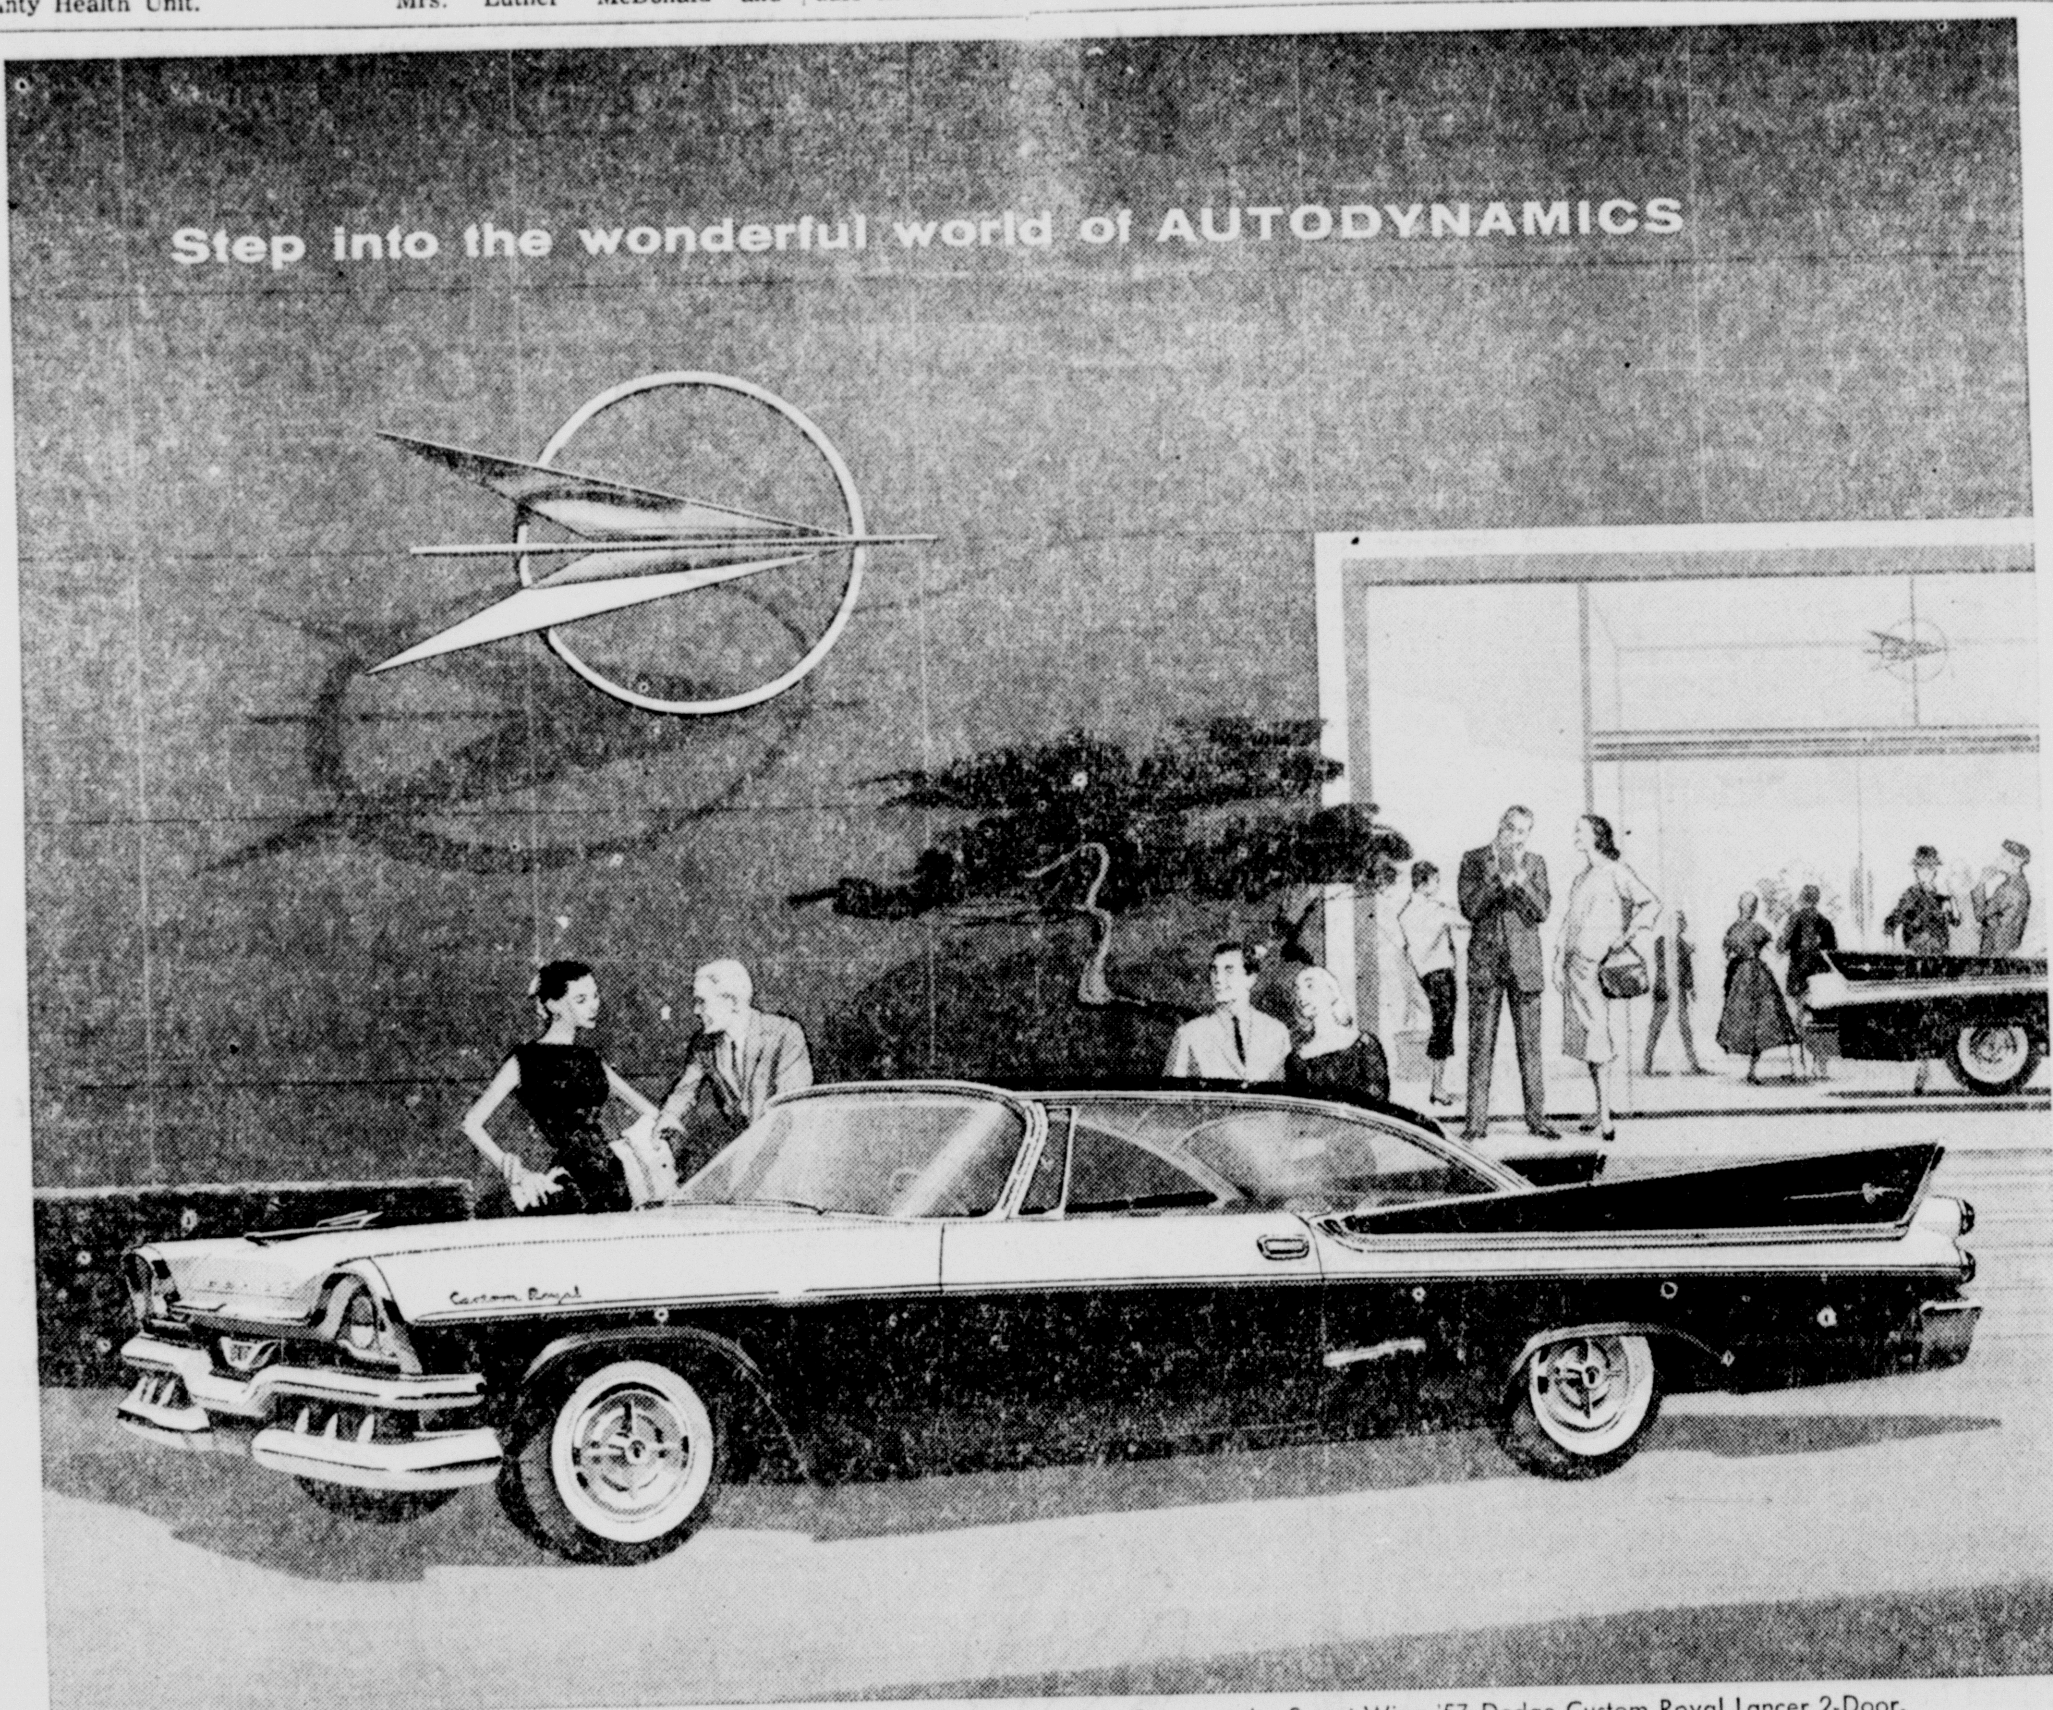

Madam Curie is the only person ever to receive the Nobel prize twice.

A low-slung beauty with Flight-Sweep style: Swept-Wing '57 Dodge Custom Royal Lancer 2-Door.

It unleashes a hurricane of power
It breaks through the vibration barrier
It is swept-wing mastery of motion

SWEPT-WING '57 Dodge

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance? How do you explain its newness when everything about it is new? On display today is just such a car—the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics. What is this wonderful world of Autodynamics? It is a world where everything is new from road to roof to achieve absolute mastery of motion.

Here's what it does in the Swept-Wing Dodge:

- It unleashes a hurricane of power from a thundering new aircraft-type Super Red Ram V-8 engine that's a spitfire in action!
- It tames a tornado of torque with a new TorqueFlite Push-Button Drive for the greatest get-away on the road!

- It breaks through the vibration barrier with a revolutionary new rubber-mounted suspension system—Dodge Torsion-Aire—that features race car torsion-bars. You ride in a "Realm of Silence," isolated from vibration, noise and road shock.
- It is swept-wing mastery of motion in a sleek, low-slung beauty barely 4½ feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today . . . now at your Dodge dealer's!

Cameron Ladies Attend Garden Club Meeting

Annual autumn meeting of Division II District V of Texas Garden Clubs, Inc., was held in Marlin November 17, 1956.

A message from Mrs. Jim Weatherby of Goldwaite, governor of District V, was the highlight of the morning meeting.

After luncheon a report of the fall board meeting was given by Mrs. A. E. Trice of Waco. Two local members of the civic Garden Club, Mrs. Leo Fuchs and Mrs. Leo Fuchs, Cameron.

Local members attending were Mrs. John Ryan, Mrs. W. R. Newton, Sr., Mrs. R. G. Grabien and Mrs. Leo Fuchs.

Flower Show School No. 1 will be conducted in Waco November 6, 7, and 8. Five Cameron members plan to attend.

Mrs. R. G. Grabien, attended this three day meeting in Midland.

"Getting More Living Out of Your Lot," was given by Hal Stringer of Waco.

Officers for 1956-57 for the district were elected as follows: Governor, Mrs. Jack Lawhorn, Temple; recording secretary,

Wedding rings are placed on the third finger of the left hand because of an old Egyptian belief that a nerve ran from that finger to the heart.

Berry-Rutherford Wedding Date Set

Mr. and Mrs. W. W. Berry of Taylor are announcing the engagement of their daughter, Joan Yvonne, to Ernest (Bud) Rutherford, Jr., of Austin. He is the son

of Mr. and Mrs. Ernest Rutherford, Sr., of Rockdale.

Miss Berry is a graduate of Taylor High School and is presently employed at Alcoa in Rockdale.

Mr. Rutherford is a graduate of

Cameron High School. He is currently majoring in pharmacy at the University of Texas.

The wedding has been set for November 24.

Wedding Date

Society - Clubs - Personals

Mrs. Leo Fuchs Wins High Score

Mrs. Leo Fuchs won high score with an 84 while Mrs. A. K. Gurecky was second at the 42 Leisure Club meeting Thursday at the Magnolia House, 502 North Travis. Hostess for the meeting was Mrs. John Matyastik.

Proceeding the games, the regular business meeting of the club was presided over by Mrs. Charles Payne, president.

New officers were elected for the forthcoming year. Mrs. Leo Fuchs was named president; Mrs. Henry McLane, vice president; Mrs. Pete Bergum, secretary; Mrs. August Kunz, treasurer, and Mrs. John Matyastik, reporter.

Club members also welcomed a new member, Mrs. Ralph Michalka. Guests for the meeting were Mrs. Jim Crouch and Mrs. E. O. Schiller.

Refreshments consisting of a party plate of chicken salad on lettuce leaf topped with olives, pickles, corn thins and coffee were served members and guests. Tables were in a private dining room and were laid in Halloween colors.

Next meeting of the club will be at the home of Mrs. Kunz on Thursday, November 8.

Did You Know?

Sir Joshua Reynolds, England's great 18th century portrait painter, the Reader's Digest reports, turned out 3,000 canvases and painted 677 portraits within five years. Deafness which forced him to use an ear trumpet did not prevent his success.

Come - And - Go Shower Fetes Bride - Elect Barbara Simmons

"Come and Go" shower with Miss Barbara Simmons, bride-elect of Julius Zucha, as honoree featured the afternoon from 3 to 7 p.m. at the home of the hostess, Mrs. Jackie Ingram, Jr., last Thursday, October 25.

Shower Honors Miss Sommers

Miss Charlene Sommers was honored recently at an "Open House" shower at the home of her sister, Mrs. Hubert Shuffield, Jr., 1303 N. Crockett. She is the bride-elect of Frank Kamenicky. Date for the wedding of the couple has been set for November 10 in St. Monica Catholic Church.

Mrs. Alfred Simecek presided at the bride's book in which 33 guests registered. Guests were greeted upon their arrival at the shower by the honoree and the hostesses, Mrs. Shuffield and Mrs. Simecek.

Gifts were placed near the entrance upon a table featuring a lace cloth.

Refreshments consisted of potato chips, cookies, candy and punch. Plate favors were tiny rolled scrolls with the names of the future bride and groom written in the middle and tied with a ribbon.

Marlow Youngsters See Play Saturday

Youngsters in the Marlow community were entertained at a Halloween party Saturday night, October 27, under the sponsorship of the Marlow Baptist Church.

Highlight of the party was a short play given by the Intermediate Class. There were 25 children present for the evening. Games and plays were under the supervision of Mrs. Ruby Coward.

Pfc. John W. Clark At Camp Pendleton

Pfc. John W. Clark, son of Mr. and Mrs. John W. Clark of Cameron, is serving with the 1st Marine Division's Communications Company at Camp Pendleton, Calif.

In carrying out their mission of establishing and maintaining communications for the Division, the communicators are continually evolving new techniques to keep abreast of the latest developments in modern warfare.

Pattersons Hear Press-Church Talk

Emphasis on better relations between the press and church publicists was the highlight of Clifton Blackmon's talk Thursday, October 25, in Presser Auditorium at Mary Hardin-Baylor College.

Blackmon, a public relations officer for the First National Bank of Dallas, was guest speaker at a public relations workshop for churches which was sponsored by the college.

Attending the meeting from Cameron were Mr. and Mrs. James E. "Bo" Patterson.

Michael Wayne White weighing 6 lbs. 8 ozs. was born to Mr. and Mrs. Charlie White of Cameron, October 23.

Loretta Christine Kunz weighing 8 lbs. 3 ozs. was born to Mr. and Mrs. Peter Kunz of Cameron, October 25.

Larry Charles O'Connor weighing 7 lbs. 8 1/2 ozs. was born to Mr. and Mrs. Charles Edgar O'Connor of Rockdale, October 29.

Carl Martin Tomasek weighing 8 lbs. 4 ozs. was born to Mr. and Mrs. Frank Arnold Tomasek of Buckholts, October 13.

Marisa Jane Debose weighing 7 lbs. 7 ozs. was born to Mr. and Mrs. Hubert Edward Debose of Killeen, October 22.

Mrs. Emil Kosel Dies October 24

Mrs. Emil L. Kosel, 76, of Ben Arnold died Wednesday, October 24. Funeral services were held at 10 a.m. Friday, October 26, from the Ben Arnold United Evangelical and Reform Church.

Interment followed in the Ben Arnold cemetery.

Services were conducted by Rev. Gerald Cobb, pastor of the Ben Arnold Church.

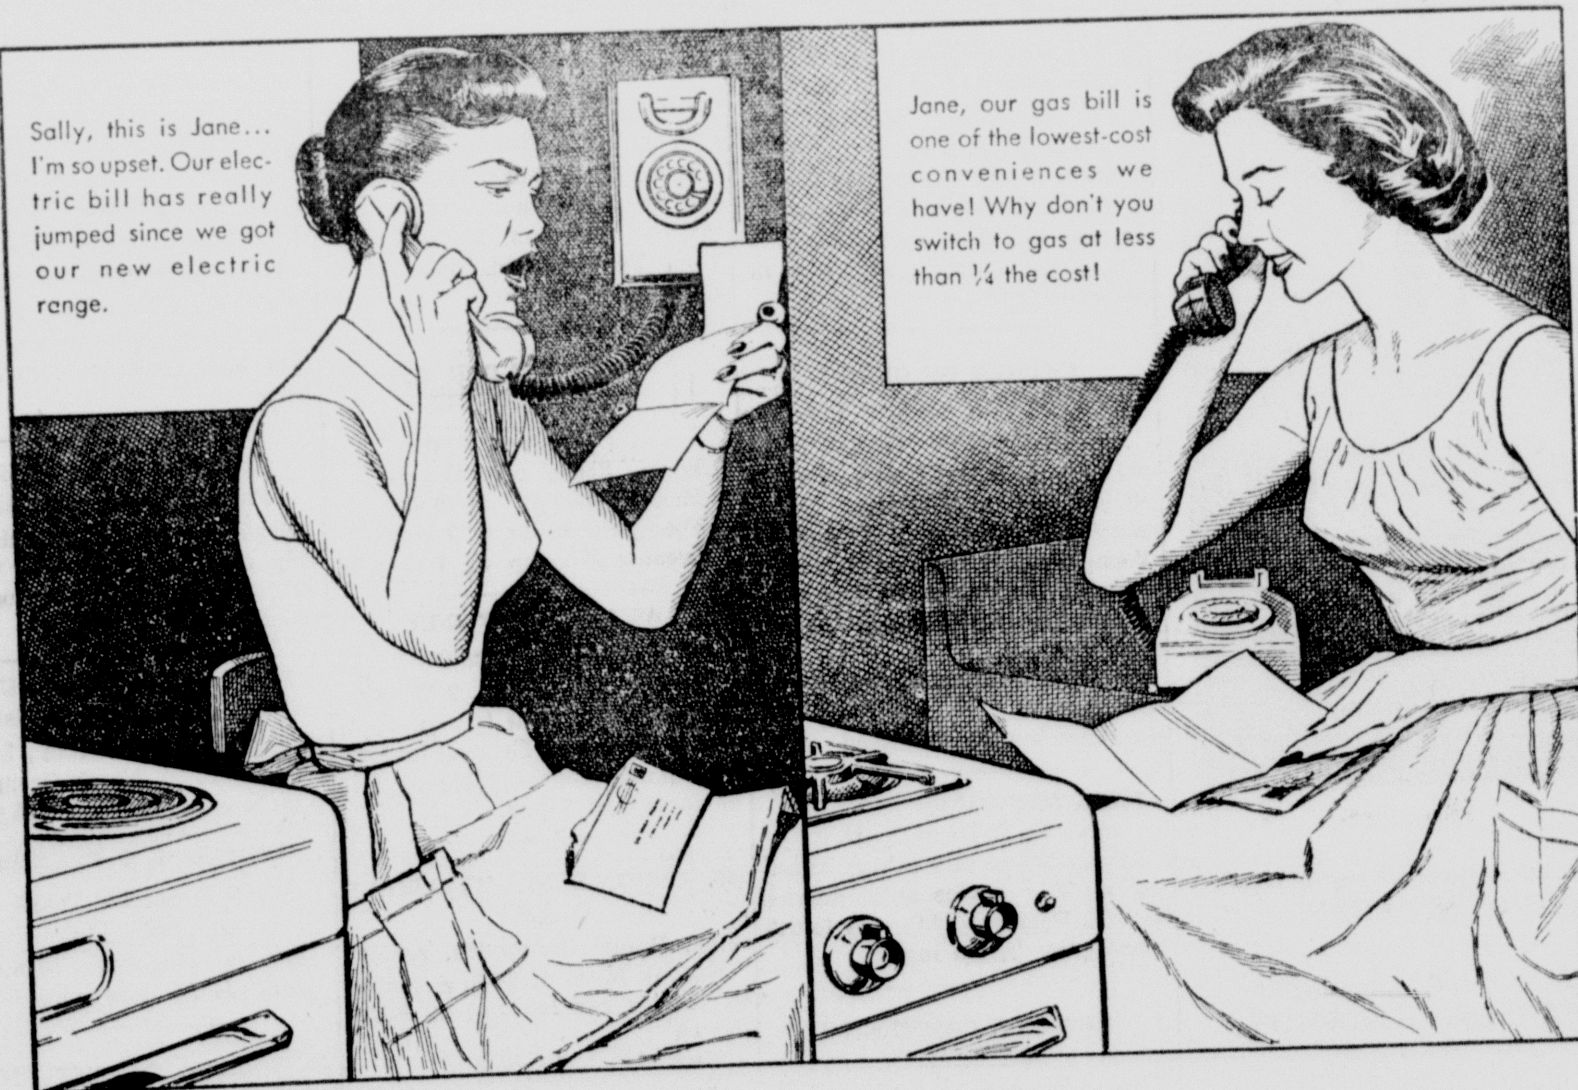

Survivors are three sons, Walter and William, both of Ben Arnold, and Joe Kosel of Texon; three daughters, Mrs. Ena Kalkbrenner of Cameron, Mrs. Florence Newton of Corsicana and Mrs. Alyce Williford of Liberty.

Three brothers, L. W. Marek of Hearne, Joe Marek of Houston and Walter Marek of Burlington; three sisters, Mrs. Ed Schneider and Mrs. Ella Frerichs, both of Burlington, and Mrs. Edmond Eigner of Waco; three grandchildren and one great-grandchild.

Pogonology is a study of beards.

Suddenly you know how modern a range should be—
flame-fast gas ranges alone
offer 4 times less fuel cost!

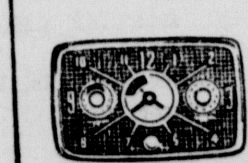

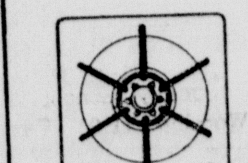

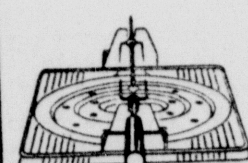

ONLY WITH EXCITING NEW FEATURES LIKE THESE CAN YOU REALLY COOK MODERN!

Cook-Saver Automatic Top Burner Control. New flame-fast gas Cook-Saver holds pre-set temperature. Foods won't burn! Makes all your pans automatic!

Built-In Rotisserie. Broil indoors with flame-kissed "barbecue" flavor. Turns out your favorite foods easily and deliciously.

Simmer Flame. On each burner, tiny points of flame make waterless, "vitamin-save" cookery a snap. Unlimited keep-warm and simmer settings.

Automatic Clock-Controlled Oven. Cooks whole meals while homemaker is away... turns oven on and off automatically. Even circulation of heat... use any rack position.

But of course Smart Southwest Moderns know that cooking with gas is the most economical way to cook. It costs less than 1/4 as much to use as electric cooking. This means: If you can cook on an electric range for \$2.20 a month—you can do the same amount of cooking with gas for less than 55¢ a month. (Or a savings of \$19.80 a year!) What's more, an automatic gas range costs less to buy, less to install, and less to operate and maintain. No wonder smart women say truly modern cooking is cooking with flame-fast gas.

SAFEST COOKING EVER! American Gas Association seal assures reliability. Fire insurance statistics prove gas is safer! **SIZZLING TRADE-INS NOW** on your gas or electric range. Cook modern—change today to a new ultra-modern gas range.

Sunday School at 10 a.m. Morning worship at 11. BTU at 7:45, followed by evening worship. Prays

Tex Says He's No Expert But He Believes Ike Is

The other night a bunch of us were sitting around in the drug store after the football game, drinking coffee and talking. You know how it is after a game in a small town, especially after the home team loses. Nearly every man in the crowd had a theory as to why we didn't win the game. Most of them, of course, blamed the coach. I couldn't help remembering that before we consolidated the county schools we didn't even have enough boys to make up a football team. And these same football experts who were saying what Rockne or Bud Wilkinson would have done, up until a few years ago they didn't know a football from a watermelon.

But that's the way it is in a small town (and in big ones, too, I understand). I guess there's no real harm done, although sometimes it's pretty rough on the coach.

I guess we have a right, in this free country, to be self-appointed experts in any line we want to pick out. It seems to me that most people choose either football or politics.

Take this presidential election coming up next Tuesday: During the last few weeks I have heard so many stories and theories from so many different political experts that I nearly got confused sometimes. I have to stop and think that the fellow who is talking probably doesn't know any more about it than I do, and that helps me keep straightened out.

In fact, I guess I have had my mind made up all along. To make no bones about it, I like Ike. He's a man you can always look up to and respect—the kind of

man you'd be proud to point out to any person, from any country on the face of the globe, and say: "That's our President!"

About Adlai, now, I'm not so sure. Of course, if he was elected, he would be my President, too, and I would hope he'd do a lot better than most people around here seem to think he would. This is something I don't think we need to worry about, because from all I can hear and read, Ike is going to win it again.

It seems to me that if Adlai ever had a chance around here, he threw it away when he came out with that H-bomb business. Now, the folks in our town don't know much about H-bombs, except that they don't want any personal dealings with them. Our scientific knowledge of H-bombs is about on a par with our football knowledge, I reckon. But we do know one thing: We don't want some misguided, inexperienced fellow fooling around with our national defense. When it comes to trusting what Bulgarkin says or what Eisenhower says, I'll take Ike. So will the rest of the country, if I don't miss my guess.

Just before we broke up the other night Doc Brown came into the drug store, and somebody asked him: "Hey, Doc, how's Ike doing?" Doc said: "Well, it's a busy campaign for the medical profession. Last week Ike went and got his heart examined; and I understand that this week Adlai is going to get his head examined."

Yours truly,

Tex

(Pol. adv. paid for by Texan Democrats for Eisenhower, Weldon Hart, Director.)
